THANK YOU

I would like to thank Una and John Brewster for all their hard work in the Hundon Churchyard. Particularly recently when they cleared the area around the graves of the Gipps family of which Mrs. Armstrong was the daughter. Mrs. Armstrong was a long term resident of Hundon having been born in the Vicarage, moving to Bachelors Hall on her marriage to John Armstrong and later to Church Street. When I knew her she lived in Callis Street in Clare. She and her mother were amongst the people who donated money so that the village could buy the land which is now the playing field.

Dear people of Hundon,

On Saturday September 10th, the Hundon production of 'Rats Upon A Time...' took place at Hundon Village Hall – and what an incredible performance the young Rats gave! We would like to offer a huge big WELL DONE to all involved, and big thanks to the Hundon community for their support and encouragement!

We were so impressed with the amount of work put in by the actors over the six weeks of rehearsals, and how they managed to put on such an excellent performance with so little time to rehearse, that we've decided to crank up the pressure, and so this time we're going to rehearse and perform the next production in one week! Of course, this will be the same number of rehearsals, but taking place each day over the half-term break in October, with an evening performance at 6pm on Saturday 29th October.

We had a great response from the audience at 'Rats Upon A Time...', and we're hoping to repeat this with our next production : 'The Greatest Halloween Panto Ever!'

We are already beginning to cast some parts, but there will be open auditions at the village hall on Saturday 8th October from 2-3pm, for any parts not yet cast. For those interested, there will be singing, dancing, a cast of the dead, and a skeletal pantomime horse!

Unfortunately, we will need to charge a fee of £20.00 per actor for the week, to help contribute towards the cost of hiring the hall.

For further information, please visit our website at :
www.rattusradicalus.co.uk

Best wishes,
Jai & Gillie.

HUNDON COMMUNITY CAFÉ
at your VILLAGE HALL every THURSDAY
2.30 - 4.30 pm

Look out for the blue spotted teapot sign

You may be aware that sadly Ann Eaton passed away recently. Ann was an unstinting supporter of the Community Café. She represented the café at Village Hall meetings, took her turn at helping in the kitchen and came every week, together with Ivan, Tom and June to set-up the cafe ready for everyone. She will be greatly missed by us.

One of Ann's favourite cakes was a Swiss roll, this border is the nearest I could get to one.

FROM THE REVD STUART MITCHELL AT THE VICARAGE IN CLARE

Dear Friends,

A recent away day to the RAF Museum in Hendon, North West London, took me back to my roots when as a sixteen year old I signed on for an RAF apprenticeship as an aircraft fitter airframes. Back then I didn't know what an 'A Fitt A' was but soon learned that it covered all the bits of an aircraft that hold the specialist bits together; engines, electrics and weapons. Nostalgia ruled the day wandering around the exhibition halls, looking at the aircraft I had learned to maintain and also examples of aircraft that came into service after I had left the RAF. Would you believe a full size mock-up of the latest aircraft to enter service NEXT YEAR?

Clearly my time in the Royal Air Force was not some isolated occasion or event in my life but one that informed my then present and future in God's service. The visit reminded me of the value of our parish churches, holding together the present for us but also the future in service to God. The exhibition halls at Hendon held a microcosm of all the RAF has achieved in the 98 years since its formation from the fledgling Royal Flying Corps, that itself a joint venture by the Army and the Royal Navy to fight the Great War in the air. Looking at the exhibits, which brought back memories good and bad – it wasn't all a bed of roses, I knew of the reality for which those aircraft had been built. Yet gathered together, a single example of an extinct species (of a mechanical kind they all are) they represent the freedom gained through deterrence and defence as well as offence in a world that seems never to really learn the meaning of peace. The testimony of those with whom I had the honour to serve and thousands more beside knows the cost of such service; it is a daily reality we are glad to share with those who did not. Sharing our life experiences broadens our understanding of the world in which we live; the practical and the spiritual. And I believe that is what we are all called to do, each day, every day.

The Disciples who followed Jesus, not just those we know now as Apostles and by name but also those whose names remain lost in time shared their experiences which some collected and wrote down and later collated into the Bible. Opening the Bible to read of the adventures of the early Christians is most rewarding; reading the history of the Hebrews in the books of Kings is equally gripping and frightening as any modern literary work of today. My analogy of my visit to Hendon fails when the respective buildings are considered. Older than the exhibition halls on the former RAF base our churches are not housing past examples of humankind's ingenuity as museum exhibits but are living places where the living God can be experienced in worship. The call to worship for Christians should be the strongest feeling to give thanks and praise to God when we gather together in church each week. Regrettably that's not always possible in smaller villages; but if the urge to be with others in the presence of God in church, there will always be one near to where you live. If you haven't been for a while, do look up the notices in the churches nearby and come back and see what's new or even the same, maybe at Harvest or Christmas or any Sunday. God will be pleased to welcome you back and so will I.

With every blessing
Stuart

CHURCH NEWS

Following a successful bid for government funding through Heritage Lottery grants, work to replace the stolen lead from the roof of All Saints Church is in progress. Good weather has ensured a good start, the most obvious being an enclosure of steel sheet and scaffolding around the building. Sunday services will continue and there will be no problem in arranging special services as and when the need arises.

I'm most grateful to all who have been involved with the recent fund raising events, particularly the Wedding Dress festival and Flower Show, which are a vital source of income supplementing the generous giving at services. The provision of a toilet and servery from which refreshments can be served would of course greatly enhance these events. It is with regret that having got to the stage of an agreed design, the costs of installation were prohibitive when balanced against available funds and promised grants. However, it is still my intention that such facilities will be installed, but at this stage I cannot give a date. Any donations or grants already received are safeguarded in the PCC finances and will be held there until the project gets the go-ahead.

Revd Stuart Mitchell (Rector)

ALL SAINTS CHURCH FORTHCOMING EVENTS

We are very pleased to be able to welcome back the Haverhill Choral Society who will be giving a concert in the church on Saturday 26 November starting at 7.30p.m. Those of you who enjoyed their 'Carmina Burana' and 'Messiah' performances will I am sure want to join us on this coming occasion. The programme is a Shakespeare Tribute entitled 'Music – as you like it!' There will be music by Vaughan Williams, Serenade to Music, incidentally performed at the Last Night of the Proms, John Rutter's 'It was a lover and his lass' and also a selection of music from West Side Story by Leonard Bernstein; which, as you may know was based on Shakespeare's 'Romeo and Juliet'. There will be full details in the November issue of the Hundon Herald but make sure you put this date in your diary now!

Another date you should be aware of is Monday 28 November when there will be a flower workshop in the village hall, given by Margaret Knights. Margaret joined us during the Flower Festival of 2015 and this time she will be showing us how to make a Christmas table decoration which everyone will have a chance to make. The day will commence at about 9.30a.m. with coffee and then a light lunch will be enjoyed later on. More details of cost and the programme will be in the November issue of the Hundon Herald but, if you are interested, then places are limited to 12 only. There will be a sign up sheet in the shop on 1 November.

ALL SAINTS CHURCH FLOWER FESTIVAL AND ART SHOW

The annual Flower Festival and art show was held in the church over the August bank holiday weekend. We were fortunate in that the weather was dry and warm every day and we had so many visitors who kept us busy serving teas and coffees and home made cakes. As we also had a display of wedding dresses throughout the church the theme for our flower arrangements this year was "honeymoon destination" – flower arrangements highlighted places such as Scotland, Greece, Morocco, a French bistro in Paris and a tropical beach scene!

We had 28 dresses on display covering every decade from the 1940s (using clothing coupons from family and friends) through to 2014 – we even had a group of 'mothers and daughters'! It was interesting to see how the fashions had changed over the years.

As well as all the dresses to see, we had some wonderful art work from village artists and other professional artists. There is certainly a huge amount of talent to be found in Hundon and the surrounding areas.

David Newton added to the wedding theme by lending us his Model T Ford complete with wedding ribbons and our thanks go to David for doing so.

Another big attraction this year was teddy bear parachuting from the top of the tower – there was a lot of nervousness amongst the bears and soft toys but they all made a great leap of faith and landed safely, receiving a certificate of achievement after the jump. Many thanks to Linton church for lending us the parachutes.

Finally, after some small expenses we made just over £700 for church funds. Thanks go to all the artists who lent their work, to the ladies who lent their wedding dresses, to the flower ladies for producing such wonderful arrangements, to all the ladies who made such delicious cakes and, last but not least, to all the helpers who, over the three days, brewed endless pots of tea, made lots of cups of coffee and washed up! Thank you all; we **couldn't** have done it without you!

Notes on how you can help during October

Found a hedgehog out in daylight? Something is wrong—it shouldn't be there! It needs help fast!!

After the middle of October a young or small hedgehog out at night? It probably has something wrong with it and will not survive the winter unless it is treated and cared for!!

Or simply a hedgehog you think is in difficulties?

HUNDON HAWKS

The Village Youth Football Team have had to move to a bigger pitch adjacent to the men's pitch and two new goals have been put up. These aren't strong enough to cope with any sort of misuse, they were expensive and we would very much appreciate being notified if anyone sees any sort of abuse. The volunteers have worked really hard to prepare the pitch and we don't have funds available to replace damaged equipment. Can we also appeal for dog owners to please not let their dogs foul on the pitches, for obvious reasons!

On September 10 there was a good result for Hundon Under 11's. The boys played really well and deserved more than a 1-1 draw, but considering where we started from this is a great start to our season.

Thank you to our home kit sponsor GRM Electrical & to all the parents & locals who came up to watch and support the boys and buy a cuppa from our tea stand.

Many thanks from Glynn, Graham and Alan,

Hundon Hawks.

Hundon Parish Council
Village Matters

Hundon Parish Meeting and was held on Wednesday 14th September 2016.

Speeding

The subject of speeding traffic through Hundon village was discussed and how best to alleviate this problem. The Parish Clerk will write to the Borough Councillor, Mary Evans, requesting the use of Flashing Speed Awareness Signs to be inserted in the village. A quote for stickers, showing the correct speed limits, which would be stuck on rubbish bins, is to be sourced.

Astro Turf

The astro turf has now been reopened and is ready for use for those holding membership cards.

Hundon Hawks Football Team

The Hundon Hawks football team are moving from the village hall pitch and will now play along side the adult team. However a portion of the pitch is very overgrown and the Parish Councillors have agreed to obtain a quote for clearing the land.

Bus Service

The lack of a bus service in Hundon was mentioned, particularly as school and college students found it difficult to travel during the summer holidays. Connecting Communities has been set up for this purpose by Suffolk County Council and was mentioned in the August Hundon Herald. However, it is felt that the more people that use this facility in Hundon could highlight to the council the need for a regular bus service.

Planning Applications

1. An Extraordinary meeting was held on the 21st September 2016 to discuss a proposed new dwelling in Farmerie Road. Application No. DC/16/1444/FUL A notice was put on the Parish Board outside the village hall car park informing interested parties of the meeting.

2. Trees in a Conservation Area pollarded to 3 metres.

3. 8 dwellings at the Old Pumping Station, Lower Road, Hundon. Application No. DC/16/1238/OUT

The next meeting will be on Wednesday 19th October 2016 at 7.30pm in the Village Hall Social Club.

HUNDON VILLAGE SHOP NEWS

The lazy days of summer are shortening and the early signs of autumnal hues are beginning to enhance the surrounding countryside...yet the shop and its environs look just the same! Folk have been asking again...just what is happening? We are as frustrated as many of you.

We have been waiting for the Post Office authorities to carry out another "scope" of the proposed changes. This has now been done and the results are still positive and supportive of developments. It all seems to take so much time though.

Partly the result of changes in personnel, partly the need to stay in line with changing building requirements and partly because this seems to be the nature of the beast! We cannot afford (literally) to ignore the involvement of others though because they are offering funding and we must jump through their hoops.

We console ourselves with the reminder that "Roma die uno non aedificata est".

We are still very much open for business of course. Your regular orders of newspapers and magazines are kept ready for you to pick up. Cakes, biscuits, milk and fresh meats and pasties as well as frozen ready meals and useful standbys are available. As the seasons ease into change the fresh fruit and vegetables are different too. Come and avail yourself of fine local produce.

It is with great sadness that we have learned of the death of a friend and shop co-worker. Ann Eaton volunteered and assisted in the shop in so many ways and was a stalwart of the village and known to so many. She will be sadly missed and our thoughts are with her family and friends at such a sad time.

HUNDON POPPY APPEAL 2016 – GIFT AID

The Poppy Appeal will be launched locally on Saturday 29 October. As in previous years we have a strong team of collectors in the village: Paul Rymills, Loraine Callow, David Crawley, Richard Langridge, Simon Hickes, Marion Rowlinson, Catherine Clark and Sue Walker.

Over the past two years we have gradually introduced Gift Aid envelopes. Gift Aid is a tax concession whereby a donation to a charity – in our case the Poppy Appeal – can be increased by 25% at no additional cost to the donor. Several donations made to a collector on house calls last year were £5, £10 or £20 in notes and many of these, but not all, were Gift Aided. So that meant that respectively those donations became £6.25, £12.50 and £25 to the charity on counting.

Gift Aided donations can be made by anyone who pays tax to the Revenue for whatever reason. The collector will carry an envelope that shows name, address and amount donated when completed. It only takes a few minutes to fill in but does make a considerable difference to our village contribution to the Poppy Appeal when totted up. And there is no reason why coins cannot be put into the envelope.

May I encourage everyone to use Gift Aid where authorised ie a UK tax payer.

HUNDON FOOTBALL CLUB

With the first team's season seven games in, results have been difficult to come by, but there are quite a few new young faces coming through from Hundon Hawks so there is time for these players to settle in to the existing squad and hopefully pick up some points along the way. They currently hold 11th place in Kershaw Senior A.

The Reserve team have only had one competitive match to date losing at Clare in the Suffolk Primary Cup. The lack of matches is due to late withdrawals from the league and a postponed match at Duxford as it clashed with an air show where the car park is used,

Early in September the club had a committee meeting with a difference, the added attendees were Terry McEntee, Jan McLardy and Bob Barnett (the leading people in our ongoing quest for new facilities). I was pleased the meeting was well attended by the club. Terry, Jan and Bob brought everyone up to speed and pushed those present to find some more like minded people to help with fundraising. So far I know of one person that has come forward and was planning to chat to Jan, thanks to all for attending

HUNDON SUMMER FESTIVAL

As the sun slowly leaves us all behind, I look back on a fabulous summer made all the more special by an amazing Hundon Summer Festival weekend.

A Saturday night filled with energetic pop songs, double bass acrobatics, original music by highly talented musicians, all topped off by one of the best rock performances the festival has ever had. Then if that wasn't enough, we followed this up on Sunday afternoon with unicycle lessons, birds of prey, dogs galore, a wheelbarrow full of goodies (congratulations to Sue Chilcott on winning this amazing prize) and a sea of smiles at our village fete. Ignoring the monsoon downpour 30 minutes after the fete closed that nearly washed us away as we packed up!

Since that weekend I've been told over and over again; the 2016 Festival was the best yet. And, I have to agree, although as the Chairman of the committee I'm a little biased.

As Chairman, I am extremely proud of the work the Hundon Festival Committee put in this year. Months of planning, late nights, stress and last minute phone calls go into the organisation of a single weekend. Yet, every year we come back for more, always striving to better the previous year.

We strongly believe the festival weekend is for the village. An opportunity to celebrate, meet with our neighbours and friends, and enjoy some light entertainment. So, when more than 50 non-committee volunteers, stepped up this year to help over the bank holiday weekend, it brings home what a great community we live in. Without these volunteers we simply couldn't have done it... thank you.

While I'm on the subject of volunteers; this year we ran a volunteers prize draw to show our appreciation of the time these people give up, with the opportunity to win a 2 night hotel stay for two. I'm very pleased to announce our winner was Janet Burrows. Congratulations Jan, I hope you have a lovely relaxing weekend.

And of course, a massive thank you to everyone that attended the festival this year, and supported all of our other events and fund raisers throughout 2016.

So, as we start to think of how we're going to better it again next year we need to expand our committee a little. If you're interested in joining us, bringing fresh ideas and enthusiasm please join us on Wednesday 26th October 7.30pm at the Rose & Crown for more information.

Thank you,

Gravin Harper
Chairman, Hundon Festival Committee

HEALTHWATCH SUFFOLK CALLS FOR YOUR STORIES OF CARE IN THE COUNTY

Healthwatch Suffolk has the power to shape, influence and improve local NHS and social care services in the county. It is independent from the NHS and social care, which means you can be honest when sharing your views.

It has launched a new campaign called “#NHSSelfieStars” for obtaining feedback from people about their use of local health and social care services. It wants to celebrate what is good about services and highlight where things could be better.

The state of the current health and care economy means that it has never been more important to share your views about local services; even if you don't think it will make a difference. The watchdog hopes that this campaign will encourage people to share their stories so that it can help health and social care professionals understand the views and experiences of people using their services and feed them into ongoing plans to change the way your services are delivered.

Healthwatch Suffolk is asking people to share a “selfie” and a story of NHS care in Suffolk so that it can highlight your experiences. All of the stories will be added to the growing volume of data the watchdog has already gathered from local people and used to hold services to account. You can share your selfie and story with Healthwatch Suffolk on Instagram (use #NHSSelfieStars) or by email to info@healthwatchesuffolk.co.uk.

It is always possible to share your experiences anonymously with Healthwatch Suffolk. You can visit www.healthwatchesuffolk.co.uk/services, where it is possible to rate and review your experience within any health or social care service in the county. Alternatively, please call 01449 703949 to speak with a member of the Healthwatch team.
