## CELEBRATING 25 YEARS OF THE BALLET SHOE WORKSHOP

This year on February 11th, we were excited to be a part of celebrating the Ballet Shoe Workshop's 25th anniversary. As long term members of Alison Law's dance school, we couldn't be prouder of all of the achievements the school has accomplished in its 25 years, or be more honoured to have been a part of it and watch it grow over many years.

The school has always been an excellent place for boys and girls to become a part of something wonderful from an early age, starting at 3 years old. The first ever class in the school started off with 14 students, but the school has grown to hold over 100 students. The children grow together and develop confidence, learn how to build friendships and to support one another through exams and outstanding Christmas shows. The school has even gone on to produce student teachers and fully qualified dance teachers throughout the years, even having students progress on to dance at Evolution Foundation College and make it to Stella Mann College of Performing Arts.

Senior students have worked closely with the school and have always been proud of the dancers around them, to watch them work hard to execute their routines perfectly, to see the friendships blossom and to see the principal herself grow with her school. We could not be happier to have been a part of the Ballet Shoe Workshop and on behalf of all students past and present, to be able to congratulate the school on 25 years of exceptional dancing, hard work and success is an honour to each and every one of us.

### FROM RURAL SOUTH WATCH LOOK OUT FOR OVERNIGHT VANDALSIM

A resident reports there have been cases of damage to road signs around the village and overnight on 11th February a car was interfered with in Farmerie Road.

The exhaust pipe of a vehicle parked in a drive was filled with builders' foam. The police have advised residents to check their exhausts. Anyone with information should contact the police.

Please keep a lookout for anyone hanging around near parked cars after dark or near road signs. Call 101.

## A Year in the life of the GARDENING CLUB

.....Graham urged all members to research their ideas and attend the February meeting to discuss them and make decisions.

We all met on Thursday 16 February and hands went up and down all evening as new ideas were voted on and decisions were made by all.

The **Annual Show on Sunday September 3rd** is now being led by Jane Fox and plans are well under way, see photography classes in another part of the Hundon Herald.

Plans for **Open Gardens on Sunday July 2<sup>nd</sup>** are well under way, entrance fee and benefitting Charities were decided on.

Final plans are in the making for the rest of the year and hopefully will include outings to:

Bluebell Woods in Haughley Park, Houghton Bloodstock UK Limited, or more commonly known to you all as Fox Farm, a guided tour of Broxted Park Farm or more commonly known to you all as Stradishall Airfield, Sudbury Water Meadows and The Millennium Farm Trust at Depden.

Visiting speakers yet to be confirmed are:

Jaybeth Animal Sanctuary, Wine and Food Matching, a workshop making a hand-tied bouquet, a local Hedgehog Hospital and Farming Today.

Lots of loose ends still need to be tied up but things are happening!

Look in the Hundon Herald and on Facebook for confirmation of these events happening during the year and if they appeal to you, please come along as a visitor or join us as a member.

## HUNDON GARDENING CLUB

### A PRICKLY SUBJECT

Jill and Fiona run Hundon Hedgehog Rescue from Jill's back garden. The lives of numerous young hedgehogs have been saved by this facility in a process known as overwintering. Jill and Fiona will be joining Gardening Club members at Hundon Village Hall in the evening of 16 March when they will be talking about their work and about the everyday lives of these friends of we gardeners. We'll learn about the habits and secrets of these creatures and the ways in which we can help them.

Everyone is welcome to join us for this talk. Entry charge for club members is £1 and £2 for non-members with accompanied under 16s allowed in free. Refreshments will be available and a homemade cake in the form of a hedgehog will be raffled. Doors open at 7.30pm

## HUNDON ALL SAINTS CHURCH

Dear Parishioners,  
Two good pieces of news to report to you all.

### Roof Repairs

Most of you will be aware that the repairs to both the North and South Aisle roofs were completed just before Christmas 2016. This was a huge relief to the PCC and resulted in a reduction to zero of the newspapers used to mop up frequent leaks through the temporary covering.

Prior to the repairs, Church funds were totally inadequate to cover repair costs.

However, our knowledge of and subsequent successful application for a grant from 'The Listed Places of Worship - Roof Repair Fund' enabled the work to be carried out. For this lifeline the PCC are extremely grateful.

Our thanks also go to others, who made donations towards the total cost and to those who offered words of encouragement during the project.

Also, but not least, to our MP, Matthew Hancock, who with his local colleagues campaigned to have the theft of Lead included in grant funding from 'The National Heritage Memorial Fund'.

### Sound System

A comprehensive Sound System was successfully installed, tested and commissioned in January this year.

Technically this includes an Induction Loop to assist those with hearing challenges, throat and handheld microphones (wireless), a central control system together with high level speakers and a CD Player.

There are also connections for other audio devices and for Power Point audio linkup. Once again the PCC are extremely grateful to those who donated monies towards this project. In particular The Broxton Estate, Brenda Holdgate, E-Bound Alarm Systems and to those who supported various fund raising events.

Absolutely brilliant.

*Best wishes, Marcus Field-Rayner

## HUNDON PARISH COUNCIL

### Village Matters

Hundon Parish Meeting was held on Wednesday 15<sup>th</sup> February 2016.

#### Police Aware

It has been reported that theft from garden sheds has increased considerably recently. Shed alarms can be bought at a reasonable cost and residents of Hundon are urged to become more safety conscious and vigilant.

#### Speeding

1. **TVAS machines** –Our County Councillor has agreed to donate £2500 towards the cost of the TVAS machine, which we anticipate will cost around £5000 for the machines and all the paraphernalia required i.e. brackets, posts etc. We will keep you informed of the progress
2. **Wheelie Bin Speed Stickers**- These have now arrived and are being delivered with the next edition of the Hundon Herald to North Street, Church Street & Clare Road. More stickers are to be ordered for Lower Road; there will be two stickers per household.

#### Street Markings & potholes

Road Markings at the end of Church Street /North Street which were reported to the Council are to be reinstated. The Surfacing Team have been reminded and they have been asked to add a 'give way' triangle marking, to highlight the junction better.

The 'give way' triangle on Mares Hill is on a single-track road less than 4.5m wide so the correct placement for this marking is in the centre of the carriageway and we have been informed that the existing markings are correct.

The potholes in North Street near Farmerie Road have been reported to Suffolk County Council.

#### Hundon Tidy-up

Paul Rook has very kindly cleaned our Hundon Sign and also the Memorial. Quotes are to be secured for work to repaint our village telephone box which is in need of some care and attention

#### Planning:

Two planning applications were received:

1. Trees in conservation area (i) 2 no. Ash pollarded to 6 metres (ii) Field Maple , repollarded to previous reducing points. Location – Allotments, Church Street, Hundon
2. Trees in conservation area to be felled. Location – Village shop & Post Office, North Street, Hundon CO10 8EE

#### Date of next Meeting:

The date of the next Parish Council meeting is March 15<sup>th</sup>, 2017 at the Village Hall Social Club starting at 7.30pm

#### Parish Clerk Contact Details:

## HUNDON COMMUNITY PRIMARY SCHOOL

Acorn class at Hundon School are delighted with their new outside area which was designed and handmade in wood by 'cool canvas'. The children now have a water exploratory area, using recycled water from a water butt, a textured kitchen, work bench area, table to explore scales and natural materials, writing area, cosy 'nook' area and lots of valuable and much needed storage. Funds of £2000 were received from the Tesco project so thanks to all who put their counter in the "Hundon" box in store.

### FROM DAVID TAYLOR-JONES

I will be visiting Hundon on Friday March 24th at around 12 noon with my brother Victor. We would like to visit the Hundon Parish Church and also any other people interested in genealogy.

I visited Hundon in about 1952, when I was seven years old to meet my Great Aunts Eva and Maude Rogers, who I understand were school teachers. I have photos of Amy Rogers, nee Osbourne, and her daughters, including my grandmother. I would be pleased to share these with anyone seriously interested in the Rogers family genealogy.

We would also be very interested in meeting any other people with the name of Rogers who live nearby and could be possibly linked to us from a long time ago. I attach a scanned photo of my great grandmother, Amy Rogers, wife of Thomas Rogers who had 11 children: Jesse, Jane, Clara (died young), Martha (my Grandmother), Hannah, Maude, Osbourne, Eva, Clara, George and Amy.

Amy Rogers (nee Osbourne) was born on 23 May 1852. The photo was taken at Emeny & Sons, 8, Gainsborough Street, Sudbury on Oct 8th 1904.

I also attach a photo of my grandmother Martha Eyre (nee Rogers), born 1880.

I would really like to meet possible Rogers relations who might issue from the above children of Amy and Thomas Rogers.

Many thanks for your help

David Taylor-Jones

## FROM IAIN 'JOCK' MACKINNON

It is with regret we have to tell you that Anne Pamela Mackinnon (nee Bishop) formerly of The Manse, North Street, Hundon passed away on 16th Dec 2016 after a long battle with cancer.

A memorial site is available on [www.reynoldsfunerals.co.uk](http://www.reynoldsfunerals.co.uk).

Our thanks go to all our friends in Hundon and Clare.

## HUNDON VILLAGE SHOP NEWS

Spring is in the air and the shop is responding with bunches of **daffodils** with which to grace your living rooms. You will also find beautiful **polyanthus plants and tete-a-tetes** ready for planting to brighten the borders and tubs. **Fresh vegetables** are still available along with **bread and milk** and all our usual staples. You will have noticed we have moved the bottle banks as a precursor to work starting on the new outside refurbishments. ***Et deinceps surcum!***

A reminder too....

**The Post Office** can help meet not only your postal needs but also banking. You know the Post Office is there for stamps, parcel services and general bill paying but it also offers the **facilities to withdraw cash**. You just need to bring your "hole-in-the-wall" card and remember your PIN.

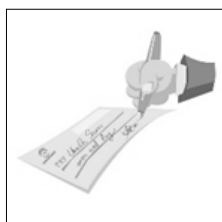

Many people though do not realise that you can **also deposit cash and cheques into your bank via the Post Office**. Cash deposits can be made for the following banks...

**Nat West, Barclays, Lloyds, RBS, Halifax, TSB, Yorkshire, Clydesdale, Ulster Bank, Bank of Ireland, Cahoot, Santander, Co-op and Smile.**

Cheque deposits can be made for the following...

**Barclays, HSBC, RBS, Nat West, TSB, Cahoot, Lloyds, Santander, Co-op, Smile.**

**Just remember your paying-in slip/book.**

If you are holidaying soon the Post Office can help with euros, dollars and other currencies at competitive rates.

The Post Office can often assist with a whole range of services. If in doubt...ask Catherine.

While you are in the shop for the Post Office take the chance to browse the newspapers and magazines. Perhaps a cake...? To help put your feet up later!

Let the shop help you spend your £1 coins. The new coins will be legal tender next month and the old £1 coins will be phased out. Don't risk losing out...get them spent... and where better than in your local shop?

### HUNDON W.I. REPORT—FEBRUARY 2017

New President: Beryl Noel 01440 786727  
New Treasurer: Janice Barnett 01440 786903

We were very pleased to welcome local, self-made international business woman, Amanda Sutherland as our speaker. She regaled us with a broad sweep of fashion through the last century, explaining the stranger items such as bustles, padding and rigid corsets!

We realised that there is very little that is new on the fashion walkway—many ideas being hundreds of years old! We were especially intrigued by her range of hats, cravats and jewellery made entirely from recycled goods.

The evening concluded with a first class raffle (thank you to all our generous supporters) and also a sad farewell to Vera who after years of booking our speakers is on the move to Norfolk.

**Next meeting—Tuesday March 9th 7.15pm at the Village Hall**

Speaker: Stewart Alderman, retired manager

At our meeting on the 5<sup>th</sup> February we learned more about, and practiced, our crochet with Jill.

The meeting on the 16<sup>th</sup> February was Jill again, teaching us about decorative art this time. We all had great fun and found the techniques easier than we had imagined, producing leaves and flowers to decorate our tissue boxes with.

On **Sunday 5<sup>th</sup> March** we will be at Jill's again to do more decorative art and for those of you who cannot come on Thursdays, do join us, come and play with paints!

On the **Thursday 16<sup>th</sup> March** we will be at Rosalyn's to learn about Book folding, creating 3D art within the pages of a book. Our instructor will be Keely Crane and she asks us to bring along a paperback book, or for a better quality of finished item we can bring a hardback book which can be purchased in Poundland. The book should be 150 to 200 pages in total.

Our group is slowly growing in number but we would welcome new members at any time, no joining fee, just bring £1 each time you come to cover tea or coffee, bring your own biscuits though as some of us are trying to lose weight!

We are planning an outing to the Cheap Shop in Tiptree for the 1<sup>st</sup> of April, if anyone would like to join us please let Rosalyn know asap.

*For further information, ring Rosalyn on 787888.*

**HUNDON FOOTBALL CLUB**

The wet weather hasn't helped with fixtures, but neither of our teams are that far behind at the moment. The first team hold 12th position in Kershaw Senior A, but a couple of wins would see them move up the table, they did well to win away 4-0 at Royston Town A.

The Reserve team are in 5th position in division 3A, if they can keep a settled side could even improve on that.

Fixtures subject to change kick off 3pm

**First team sponsored by Clerkin Civils**

4/3 Home - Royston Town A  
11/3 Home - Milton  
18/3 Away - Soham Utd  
25/3 no game

**Reserve team sponsored by Haverhill Electrical**

4/3 Away - Meldreth  
11/3 no game  
18/3 Home - Whittlesford Utd Res  
25/3 Home - Cherry Hinton A

**Please support our quiz on Friday, March 10<sup>th</sup>, 7.30 for 8pm start, at the village hall, all money raised going to the Hundon Community Sports Project (see front page).**

## HUNDON GARDENING CLUB

### TALKING ANIMALS

Carol Harris has been looking after animals, both wild and domestic, at Jaybeth Animal Sanctuary for 40 years. **At 2.00pm on Sunday 19<sup>th</sup> March**, Carol meets with Hundon Gardening Club at All Saints Church in Hundon when she will be talking about her work and about the broad range of animals and birds she looks after. There will be a small number of child-friendly animals to see and to pet.

Jaybeth relies wholly on donations, usually in the form of animal foods and bedding, and the work of a team of volunteers.

Everyone will be made welcome to this event. The entrance fee is just £2 per adult and for accompanied under 16s there is no charge. Half of the money taken at the door will be converted into animal food and donated to Jaybeth with the other half being donated to the church in return for provision of the venue. Refreshments will be available throughout the expected 60 minute event.

### HELP TO REDUCE NUISANCE CALLS

(From Rural South Watch)

People who bought BT8500/CallGuardian telephones are finding them complex and expensive to use. You will presumably already be on the Telephone Preference Service. Here are two further ideas:

#### BT Call Protect

If you already have a BT line rental and pay for 1571 (£2.25/month) you can add for free, BT Call Protect. This filters your calls against the BT central Blacklist and you can add unwanted callers to your personal Blacklist after you have received a call and without having to note and enter the nuisance number. Details from [www.bt.com/callprotect](http://www.bt.com/callprotect)

#### Who called Me?

There are multiple websites where you can look up other people's experiences of a particular caller (number).

I use <http://who-called.co.uk>

Scammers can be identified as such, area codes looked up and you can add, without the rigmarole of registering, your own experience of a caller.

## WALKING HADRIAN'S WALL AND FUNDRAISING FOR THE DNRC

In May this year I will be walking 70 miles along Hadrian's Wall with my sister and will be fundraising for the new and currently under construction Defence and National Rehabilitation Centre (DNRC).

Military rehabilitation is currently undertaken at Headley Court in Surrey which originally opened in 1947 to treat RAF aircrew. Today it provides high grade treatment for all 3 of the armed services and all ranks, dealing with injuries which, in many cases, would have been fatal a decade ago.

Headley Court is a small site and the ability to modernise has become limited. A study, funded by the Duke of Westminster, looked at whether a 21st century version of Headley Court was needed.

It was established that not only was a new military establishment needed but a site was required that would be large enough to allow the development of national facilities. It was also recognised that the expertise that exists within defence medicine could be shared for the benefit of the nation as a whole. This would allow the rehabilitation of those injured and disabled in civilian life.

Headley Court will relocate to the Stanford Hall Estate in Nottinghamshire with the new facility opening in 2018.

I am supporting the DNRC charity because my Mum and Sister were members of Queen Alexandra's Royal Army Nursing Corps and my Sister spent over thirty years in the army with her husband John. A bricks and mortar charity suited my aim of contributing to something that would stand the test of time and one where the benefits were immediate.

I chose Hadrian's Wall as I was born in Newcastle and love the north of England and because I wanted to prove to myself that even with a combined age of 136 !! we could still meet a physical and mental challenge. I think you are never too old to have an adventure.

Please support me with encouragement as I train for the walk around Hundon and support this worthwhile cause. We never know when we might need such a facility ourselves.

*Thank you, Sue Chilcott*
