Wednesday 6th February. DOG POO.....HEALTH HAZARD!!!

Whilst walking along Church Street and then along the Upper North Street path towards the village shop, I just about managed to avoid treading in a trail of fresh dog waste. Now on Wednesday afternoons all the pupils from the village school walk with their teacher from school to the village hall P.E facilities, which means they also are exposed to this HEALTH HAZARD.....
DISGUSTING.

How would the irresponsible dog owners wish to clean DOG POO off their trainers? Not at all I expect. Well in that case Clear up your DOG'S POO!!!!!!!!!!!!!!

ALL SAINTS CHURCH

EASTER SERVICE

SUNDAY 21 APRIL 2019 AT 6.00P.M.

This year we will have a wooden cross in the church, made from the original beams in the bell tower which fell during the fire of 1914, and we invite everyone to come and add a flower to the cross either in memory of someone they have known or just in celebration of Easter. The cross will be in place from Maundy Thursday (the 18 April) until Easter Sunday and we are hoping that many of you will take advantage of this lovely opportunity.

ALL SAINTS CHURCH

ADVANCE NOTICE FOR YOUR DIARIES!

VISIT BY THE CHOIR OF JESUS COLLEGE CAMBRIDGE

Many of you will, I am sure, remember the wonderful concert performed by the choir of Jesus College in July 2016. We are delighted to say that they are joining us again this year for another concert in the church on:

SATURDAY 6 JULY AT 6.30P.M.

There will be further information about tickets and where you will be able to buy them nearer the time. But please put this date in your diaries now!

CHURCHYARD SPRUCE UP AFTER WINTER

We are looking for volunteers to help tidy the church yard prior to the mowing programme starting. Most families have loved ones in our churchyard so it's a good idea to keep it looking neat and tidy. One day I'll be in there so I want it looking pukka.

You can help by bringing your grass rake or loppers up to the church yard on **Saturday 13th April from 10am** for a tidy up session prior to the mowing programme starting. And just having a general tidy up.

The deal is no pay but tea coffee and cake will be served.

Rules of engagement: pouring down with rain stay in bed, otherwise look forward to seeing as many of you that can spare a couple of hours.

It's good fun it's good exercise and it gives you a sense of achievement.

Remember it's Our village cherish it.

*Best regards
Phil*

**FROM THE REVD CANON STUART MITCHELL
IN THE VICARAGE IN CLARE.**

Have you heard the expression 'living in the real world?' What is it and where can we find it? I'm tempted (as Lent approaches) to say it's about a place where personal interest comes before the interest of others. Perhaps those who use the phrase 'real world' could use an alternative of 'in this day and age?' These interchangeable terms tell us that if we don't agree with the speaker then we don't know what we are talking about; a people who are left behind with the dinosaurs.

There is of course always another alternative and one in which the Christian sees the world where people try to love God and their neighbour. It's a world where a fall (from grace) is followed by repentance; where an argument is followed by an apology. A world where looking after number one is not the only priority. And a world where people get a fair and living wage, for an honest day's work and pay taxes.

The two worlds frequently collide and so how does the Christian live in the so called 'real world' with integrity. Lent is the familiar training ground for fall and repentance. Temptation is the key stone or the lynch-pin and our ability to withstand it the challenge we face. Bad habits or as some may still call them sins are only and can only be driven out by God's grace and by repeated good habits.

The good habits can be really simple, like getting out of bed when the alarm goes off. Like ignoring the buzzing phone telling of another pointless message on social media. But then it could go a bit deeper; praying together as a family or befriending someone new to the village or church. Tradition might suggest giving up something that has become very regular but unnecessary in daily life and then making a contribution to a charity. Having only one drink (caffeine related or alcohol) instead of two. And my personal fall, half the number of biscuits with a hot drink in the evening. This is all about strengthening your will. If it was easy everyone would do it.

And with the newly found strength, use it to re-inforce your faithfulness to God. Re-acquaint yourself with him. Yes he knows who you are, but truly do you know him? Being faith-full is relational; it's about growing in a deeper relationship with the one who loves us; as you might with a spouse or partner so you grow deeper in your relationship with God. Through prayer all things are possible; no need to talk endlessly to God. As the psalmist says 'be still and know that I am God'. Be still, in silence, and for once let God do the work.

This is the world in which we should strive to live in. Invite those who seek the 'real world' to this new and virtuous world where God's love abounds and fulfils all our dreams and aspirations.

With every blessing, Stuart

Entry is free, except there is a £1 deposit payable on the bucket provided by **HGC**. **HGC** will provide a growing kit comprising bucket, compost, seed potato, and growing tips. Entry needs to be endorsed by the parent or other responsible adult. There are prizes for heaviest harvest and heaviest individual spud.

The second is for any adult. Entry fee is £1, and there is a £1 deposit payable on the bucket provided by **HGC**. **HGC** will provide a seed potato, but no compost. The prize for the heaviest harvest is a National Garden Gift Voucher.

Rules for all entrants are that no bucket or seed potato may be used other than those provided by **HGC**.

Seed potatoes and buckets will be available at the Community Café on both 4 April and 11 April (2.30 – 4.30), and at the **HGC** talk on 21 March at 7.30 in the Village Hall, or from John Christophers 01440 786274.

The harvest, weigh-in, and prize giving will take place on Sunday 21 July on the **HGC** allotment. This will also be a bring-your-own picnic event. The £1 deposit will be refunded when the bucket is returned after the harvest.

LITTER PICK

We are having a Litter pick in Hundon on **Sunday 7th April**.

This is something that we do annually to tidy up our lovely village.

We're going to start at ten o'clock on Sunday (weather permitting i.e. if it's lashing down with rain stay in bed).

If you have a pair of garden gloves that would be handy otherwise the rest of the kit is supplied i.e. litter picking sticks bags high viz vests and hoops for your bags.

If you haven't done it before come along and make a difference to your village.

Look forward to seeing you on the glorious seventh.

Best wishes, Phil Impey

HUNDON WINE CLUB NEWS

Never let it be said that our village wine club sits back on its laurels. Not content with a splendid first meeting of the year at the end of January our committee met shortly afterwards over some excellent vintage claret to plot some attractive expeditions and presentations.

At the January meeting, Roger Merry gave a terrific presentation of regional Portuguese wines which are pretty hard to find in the local wine shops (sadly our very own community shop doesn't have any Portuguese wine either). Most of us really liked the first white, from the Douro region, a nice, crisp number at only £8.95 from the Wine Society. The stars of the show were the two ports at the end – interestingly the most votes went to a 10 year old tawny priced at £16.50 rather than the spectacularly good 1990 vintage ruby port priced for us at £40 per bottle rather than a retail price of £90! Some good value wines bought from the Hundon shop helped the group finish off the evening with some cheese and pate.

The committee have since been busy sorting out the plans – agreed at our meeting – for setting up a proper membership list and firming up plans for meetings and activities (I mean, even raising a glass is an activity, isn't it?). The next club meeting is on Thursday 28 February when Charles Hardcastle from Joseph Barnes wines will present tempting wines from southern France. This will be his first time with us and Chris hopes for a good turnout. The committee will be asking for views on several interesting ideas for visits, usually involving good eating and drinking, and will confirm the arrangements for the June meeting which is to be a visit to Dedham Vale vineyard on 27 June for a tasting and supper.

Chris and the rest of the committee look forward to seeing everyone on the 28th February. I won't be there – I'm penning this in the warm sunshine of a New Zealand summer. It's a tough life! Call Chris (01440 786248) or Andy (07802 175144) if you'd like to know more about the club.

HUNDON OIL SYNDICATE

**15 Farmerie Road,
Hundon, Sudbury, Suffolk
CO10 8HA**

We are currently working to update the Oil Syndicate's records and how it operates.

To enable us to ensure the membership records we hold are correct we are writing to all the people on the list we currently hold asking for confirmation that you still wish to be a member and are happy for us to hold your details. If you are a member and have not received a letter by the time you read this, please contact me on **01440 786415** or text your details to - **0781 847 8770**.

Also, we have reviewed the way you order oil and have decided a few changes are required to make life easier. From the 1st March you will have three methods for placing orders :-

Contact me direct on 01440 786415

Email your details to

michael.humphryes@btinternet.com (please note - new email address) and I will add you to the month's order list and send you a confirmation email that the order has been received.

Text details to 0781 847 8770 – please make sure you include your name, address (with postcode), telephone number and the amount of oil required. A confirmation text will be sent on receipt.

As in the past all orders must reach me by the last day of the month.

The syndicate has now been operating for several years and we asked many years ago for members to make a £5 yearly donation towards costs incurred, with any excess funds going to a good cause in the village each year. Initially this was the shop refurbishment which is now complete. For 2018 and this year it will be to the church organ repair fund. The syndicate benefits all its members by allowing us to buy oil cheaper in bulk (usually 2p – 4p a litre on 1000 litre prices). It particularly helps those that have small tanks or for financial reasons cannot order over 700 litres at a time (smaller quantities attract dearer prices), so by working together we all benefit.

We would ask that you consider continuing with £5 donations this year. These to either be sent to me at the address above (cheques made payable to - Michael Humphryes) or paid by 30th April 2019 into the PO account that has been set up in Hundon Post Office. Hundon Post Office opening hours are 9.00am to 1.00pm Monday to Saturday. If you have already paid this year's £5 - thank you.

If you are not already a member and would like to join us please contact me on the telephone number above.

Kind regards, M. Humphryes

HUNDON VILLAGE SHOP NEWS

Holmes was languishing in his rooms. He had had no new cases to work on in some weeks and even Inspector Lestrade was a stranger these days. He was desperate to hear the tread upon the stair that would promise the game was afoot. His long suffering friend, Watson, was trying to cheer him up when Mrs. Hudson appeared with news of a visitor. The man shuffled into the room, his hat in his hand and a doubtful expression on his face.

"Come, my good fellow, what can we do for you?" asked Holmes.

The visitor looked downhearted but replied timidly, "I fear you will think my case trivial, sir. Nonetheless, it is of sufficient import to have concerned our little community. In Hundon, we have worked very hard to make our little shop attractive. Indeed, we have stocked a whole variety of goods to appeal to all our locals. This is especially true with Easter coming up and folk preparing to celebrate Shrove Tuesday with their pancakes and all. The **shop has stocked flours, eggs and fresh lemons to make the pancakes**. If people have a sweet tooth we also have excellent **local honey** to dribble across the pancakes."

He hesitated and Holmes, ever irascible, seemed about to get angry. What was this nonsense? Watson intervened.

"Well, my good sir, don't stand on ceremony. Just cut to the chase and tell us clearly what you feel the problem is. I am sure you didn't travel all this way just to tell us about ingredients for pancakes!"

"Indeed, not Sir. The shop committee have noticed of late that the bins, which are for the use of the shop and hall, are being used by some other person. This means that they are overfull and when those of us who man the shop need to dispose of our waste, we cannot do it. It is becoming a very real problem. There is no doubt that the perpetrator of such acts is both antisocial and inconsiderate and needs to be stopped. Our problem is...who is it?"

"Aha! You know my methods. Watson, let us investigate and apply our deductive powers. It is human nature for certain types of activity to be carried out clandestinely. There have been noises of shattering glass after dark. Clearly there are some who are embarrassed at the evidence of their consumption of alcohol and who recycle their bottles secretly. Perhaps it is the same person who disposes of household waste in the same secretive way?"

"My dear, Holmes. Not everyone who recycles glass is disposing of alcoholic receptacles but jam jars and other innocuous items suitable for recycling".

"Excellent", cried Holmes, "but the point is elementary. The same cannot apply to whoever is filling the bins. This is someone who is not concerned with recycling...but when you have eliminated the impossible whatever remains, no matter how improbable, must be the truth. The perpetrator must be a householder whose own bin is full and has decided to use those designated for the shop and hall. There is no remedy except to appeal to their better natures. My advice, good sir, is to issue a **general plea for considerate behaviour in your village**. **Please do not use the shop bins for other purposes!** Let us hope that that will suffice and **thank folk in advance of their compliance**"

Nordic Walking
 East Anglia

There are two questions that I'm frequently asked about Nordic Walking. The first is who is Nordic Walking aimed at? The simple answer to the first part of the question is that "If you can walk, you can Nordic Walk" and therefore it is likely to be for you. At Nordic Walking East Anglia, we have taught people who fall into the following categories:

- aged 8 to 88
- men and women
- the superfit wanting a new form of cross training
- the unfit wanting a gentle and fun way of returning to exercise
- the overweight wanting to lose weight
- people wanting to improve their posture
- new arrivals to the area wanting to meet others
- pre/post op hip/knee replacements wanting to strengthen muscle tone
- walking enthusiasts who enjoy outdoor exercise
- arthritis sufferers who want to improve flexibility and mobility
- dog walkers wanting to turn their walk into a workout
- Parkinson's sufferers wanting to slow the rate of neuropathy

This list is not exhaustive, there are many other reasons for people joining our classes, however, it does demonstrate the inclusive nature of this fabulous form of fitness. If you fall into one of the categories above then come and give it a go.

The second question that crops up regularly is, how is a class structured? Our classes last an hour and we teach the internationally recognised Nordic Walking technique, which ensures that you gain the full benefits of walking with poles, such as improved posture, reduced impact on joints and improved muscle tone. Once the basic technique has been learnt, we continue to consolidate learning by incorporating fun technique exercises into the class, which also serve as ice-breakers. We cover a couple of miles during the course of the hour, and walking is broken up by exercises that aim to improve balance and muscle strength. In order to improve general cardio-vascular fitness we incorporate a couple of sets of HIIT (high intensity interval training) exercises, which last for about 30 seconds each. During the walking sections, talking is encouraged! Nordic Walking is a great way to exercise while meeting new people and, due to demand, we ensure that our walks finish near a good cafe.

If you are interested in taking up Nordic Walking in Clare, there will be a weekend crash course on 4th & 5th May in the Country Park. For further information, please visit our website, www.nordicwalkingeastanglia.co.uk or contact me on mary@nordicwalkingeastanglia.co.uk or 07931 580 648.

VILLAGE SHOP – APPEAL FOR VOLUNTEERS

Our village shop is a community shop which relies almost entirely on volunteers to keep it open.

We are still in need of new volunteers who can make a commitment to helping out in the shop for a couple of hours a week, on a regular basis, on either Monday afternoons, Wednesday afternoons, Friday mornings or Saturday mornings (cover can be arranged when required).

We also require helpers who are willing to give occasional cover to regular volunteers as and when needed.

If you can spare some time to help keep the shop running (or know somebody who might) then please speak to Karen on 786223, or call into the shop for more information.

*Thank you.,

HUNDON WI

February saw the return of Jen Larner for another session of Circle Dancing. This time her dances mainly had a Valentine's Day theme but she also showed us a very expressive dance which gave the feeling of refugees crossing a border to a better life, while looking back to the home country they loved and had lost. How a circle dance can show such a poignant story is difficult to describe, but it did.

HUNDON OPEN GARDENS & CRAFT FAIR

SUNDAY 23RD JUNE 2019

Charities Nominations A total of six local good causes were nominated to benefit from funds raised at this year's Open Gardens and Craft Fair. Garden owners, volunteers and donors have voted for the two we will be supporting and the results are **East Anglian Air Ambulance (EAAA)** and **My Wish at West Suffolk Hospital**.

Gardens Now the Spring bulbs are flowering and the garden is coming alive again please consider opening your garden from 12pm to 5pm. There will be a mini-bus shuttle service available on the day to ensure that any gardens on the outskirts of Hundon; Mares Hill, Brockley Green or Steeplechase will all have their share of visitors.

Volunteers We still need a few more volunteers please who would be willing to sit with single occupant garden owners, to assist with car parking or to serve refreshments.

You will not miss out as all open garden owners and volunteers will be given an opportunity to visit the gardens on another date to be arranged.

Craft Fair There are only a few pitches still available so you will need to book quickly and there is a special rate for Hundon residents.

Anyone in the village who would like to piggy-back this event in support of their own local good causes is very welcome to do so. Let us know the who, the what and the where and we will try to include you in our advertising and our map of the day.

If you would like to volunteer, hire a craft pitch/table or would like more information then please contact:-
