COMMUNITY CINEMA – INSTALLATION OF EQUIPMENT

First and foremost – a very big ‘Thank You’ to everybody who has supported the cinema since we first started in March 2018 – we have been very grateful for your kind words and positive feedback - It would seem that the Community Cinema is a facility much appreciated by those that have used it.

From the very beginning it has been our ambition to have a permanently-installed system for showing films. To screen a film at the village hall involves a great deal of time and effort that might not be obvious to cinema-goers. The equipment we use is not owned by us or by the village hall, but is hired in. Each screening requires approximately 12 man-hours of time, plus a sixty- mile round trip, in order to collect, set up, take down and return the equipment. A permanent, fixed installation would mean we don’t have to do that, with the benefit that the equipment would be available to show films at any time.

We are making good progress towards that goal of a fixed installation. Thanks to the generosity of The Broxted Trust we now have a permanent, retractable, screen on the village hall stage that has already proved to be a great asset to both the cinema and the hall in general. We have recently secured further funding from the Broxted Trust, and also from the Village Hall Community Fund, which means we will be able install additional parts of the system over the next months.

Although we still need more funding to complete the project, we are confident that the village hall will eventually have a complete, permanent, audio visual system to screen films and other content all-year round – this will be a real asset to the hall.

In the meantime, we will continue to hire in the equipment and so would very much appreciate offers of help to collect, setup and return equipment. We are lucky to already have a small team of helpers but always could do with more. Also, we will soon also need help to manage and run the cinema all year round – if you feel you can spare some time to help then please contact Graham Gosling on 07720 206001.

See you at the next film night!

HUNDON VILLAGE SHOP

A quiet reflective time of year at last. The chaos, confusion and excess of...just about everything is finally over and we can all CALM DOWN!

shutterstock - 116666412

The shop looks forward to 2020 with intentions of serving you all with the best of local fruit and veg, good honeys and chutneys and those last minute..."I've run out ..." items. If you have ideas for what you would like us to stock – let us know and we will do our best to accommodate your wishes.

As ever, the shop will be dependent on its volunteers to stay open. If you have any time to spare, please consider staffing a two hour slot. This can happen on a regular basis or ad hoc...as when we have a vacancy that needs someone to step in last minute or to cover holidays. Let one of us know and we will arrange some basic training and support.

Just a reminder of the shop opening hours over New Year ...

**New Year's Eve- December 31st -
8.00am – 5.00pm**

**New Year's Day – January 1st –
10.00am – 12.00pm**

HAPPY NEW YEAR!

HUNDON EVERGREENS

The Evergreens have had another good year (25 members). We have had some trips out to Norfolk, the Arts Centre, Cambridge, and Christmas lunch at the Golf Club.

The primary school children came and sang Christmas carols for us. We'd like to thank the teachers for bringing them to the Village Hall. We also managed to make an angel for the Festival of Angels at the church.

New members (over 55s) welcome, we meet on Monday afternoon at the Village Hall. January dates: 5th and 19th.

HUNDON WINE CLUB

Our November meeting's theme was Australia, more specifically the state of South Australia, centred on the city of Adelaide. This renowned region produces some of the finest wines from this vast country.

Starting off with an acidic Sauvignon Blanc from the cool, high area of Adelaide Hills, people were surprised to find that this wine more closely resembles the Loire whites and not the stereotypical Aussie white. Next was a Riesling from Eden Valley that was very German in style. This was not a hit with members but again, a surprise wine to find from here. Moving on to the reds, we had a Cabernet Sauvignon and a Shiraz from the famed Barossa valley, and a Nero d'Avola from McClaren Vale. All the reds were well received. We finished off with a great sweet tawny dessert wine .

The evening proved the quality and breadth of diversity to be found in this great wine-producing country.

We ended the evening with cheeses and pâtés, and the reminder of the wines as usual.

UPCOMING EVENTS

- 30 January:- Brazilian Wines with Nicolas Corfe from GoBrazil**
- 27 February:- Ben Pym from Corney and Barrow, wine merchants in Newmarket**
- 26 March:- Wine Quiz with fantastic prizes**

The Hundon Wine Club is open to anyone with an interest in wine. Membership is £10 per annum and a contribution of £10 at each meeting to cover the cost of wines tasted and food etc.

HUNDON CRAFT GROUP DECEMBER MEETING

On 6th December we had a very enjoyable time decorating Christmas crackers and gift boxes using templates provided by Julie Jones. Our thanks go to both Julie and Jill Prudden for their expertise and beautiful resources; and to Sandra for, once again, opening her home to us, and providing delicious coffee and cake.

Then, on Sunday 8th December six of us visited Blackthorpe Barns Christmas and Craft Fair near Rougham for a very happy time browsing and shopping.

Our next meeting is on Friday 3rd January, from 10:00 -12:00, when Rosalyn will be demonstrating the papercraft of Iris folding.

If you would like to join us or need more details, please contact Sandra on 786410 or Beryl on 786727.

Thank you to all our members who gave so generously to provide our Bring and Share Festive Supper. It was a lovely way to end the year, which had provided interesting speakers, trips around, including Bury Cathedral on a very wet day and afternoon tea in the garden on a superbly hot summer's day.

Thank you to all the committee for decorating and setting out the hall to provide a festive welcome.

Next year will feature biscuit making, card making, yoga, trips to the seaside and Tiptree, a garden party, interesting speakers and more. January will start with some members going to the Panto.

Our January meeting will have Linda Scoles as a speaker, She is an American who came over with her husband and the American forces and they stayed. Her talk is titled 'The Yanks are coming'. She is bright and funny and will provide a look at life on the bright side on a cold January evening .

Happy New Year

Next Meeting- 9th January @ 7.30 pm, Hundon Village Hall

Visitors are very welcome

HUNDON COMMUNITY CINEMA – WHAT IS IT?

The Community Cinema is about to start its third season. We are based in the village hall and currently show one film a month during the autumn and winter period, although we hope to extend the season to later in the year.

Our aim is to screen a mix of recent releases and old classics which, we hope, will appeal to all ages and tastes.

The village hall licensed bar is open before and after a screening as well as during the interval, so you can have a relaxing drink with friends. We also have sweets, snacks and soft drinks available. Last year we provided a fish & chip supper before one of the films, this was well received and helped to create a friendly and sociable atmosphere. We certainly intend to repeat the experience sometime this season.

The cinema is open to all, we are not a club, there is no membership or subscription to pay, just £3 per person on the door.

If you haven't been to one of our screenings before, why not give it a try – you will find it to be a sociable and friendly occasion.

Our next screening is on Friday 31 January at 7.30pm – details of the film to be shown are on the front page.

Details of upcoming films are advertised in the Hundon Herald, on the notice boards outside the village hall, on our Facebook page and the village hall website at hundonvillagehall.onesuffolk.net – you may also see posters around the village.

If you would like more information, please feel free to contact us on 07720 206001.

See you all on 31 January!

**FROM THE REVD CANON STUART MITCHELL
AT THE VICARAGE IN CLARE**

The frenzy of the preparation for Christmas for most is over for another year. Each year the anticipation of Christmas is always greater than the celebration and I know that kind of preparation for me will change next year. Outside the walls of the vicarage and the parish churches Christmas means different things and when it doesn't come up to expectation there is inevitable disappointment.

Present buying is so demanding; did you buy the present way back in the summer, or later, perhaps in the days leading up to Christmas Day? The reality of the day comes when the present given, is opened. Did you the giver get the response from the receiver you were looking for? Was the Christmas Jumper pulled over their head and worn of the rest of day or the next day or all week?

Obviously there are limitations; the child with the new bicycle will want to go out immediately though the weather will determine if that is at all possible and how long the accompanying adult is willing to enjoy the moment. Christmas 2019 was for me as busy as ever with many services in all the churches and then its 12.30 on Christmas Day and bang! It all comes to a halt, gone for another year and the question recurs each Boxing Day – is there nothing more?

Aside from the tinsel, turkey, decorated trees surely there is more; the history behind the feast of Christmas (told on least two TV programmes in the weeks leading Christmas Day) is routed in festivals dating back to pre-Christian times. Themes of sharing and love which we see in our giving of presents and helping those in more need than we are perhaps, are not just for Christmas. Christina Rossetti wrote:

Love came down at Christmas,
Love all lovely, love divine;
Love was born at Christmas,
Star and angels gave the sign.

The love born at Christmas came as the Son of God. It was so great an event that God willed to prepare for it over the centuries, until 2000+ years ago God shared his love with all of us. As the New Year unfolds and with it uncertainty about many aspects of life, as the decorations come down and the daily routine is restored, be certain that the love of God will be there all year, and next. Perhaps you might be able to share a little bit of that love not just with those you know but also those you don't.

Thank you to all who have shared messages of hope and good will with Christine and me over the festive season and time still to wish you a Happy New Year.

With every Blessing, Stuart

NEIGHBOURHOOD WATCH ALERT

Based on a Neighbourhood Watch report there have been incidents at an address in each of Ousden and Chedburgh, external lockable letter boxes were broken in to and post stolen. The information obtained in one case was used to open a Santander bank account with card and overdraft facility. There were signs that the box was raided again later, possibly to intercept the card. The overdraft was swiftly run up and the card used at stores. Exactly the same thing is thought to have happened at the other address.

The bank probably only checked the credit standing and electoral roll information of the genuine name and address before opening the account and extending credit. It would however require the criminal to intercept the debit/credit card when it subsequently arrived in the post.

You are at most risk if:

- you have an external letterbox
- it is not locked and robust
- it is accessible from the roadside
- the presence of post is visible
you leave post in it for long periods during the day

Although innocent victims are unlikely to be held accountable for any loss, they have the considerable inconvenience of reporting and resetting their affairs with worry that it may happen again.

To reduce risk consider a lockable letter box, a non-return flap, a chute or arrangement such that the presence of post cannot be seen, access for retrieval only on the side away from the road and prompt clearance after delivery.

If your letterbox is broken in to,

- photograph the damage and report it to the police (online form may be easier than 101) to obtain a crime number. This will help establish your innocence if a fraud does occur.
- for four weeks after the crime arrange for your post to be removed from the box promptly after delivery (eg ask a neighbour if you are out all day) to avoid interception of any bank card delivery.
- if a bank card or post arrives pointing to a new account being opened for you, telephone the bank immediately and ask for their fraud department.

LIFELINK
Linking Lives Together

LifeLink -Changing Lives with Communities

LifeLink, which started in Haverhill and has also launched in Brandon and Mildenhall, is a free service for anyone over 16 years old and it is already busy. Benefits include: meeting new people and developing new friendships, feeling healthier and fitter, learning new skills and opportunities for volunteering and developing employability skills. This can lead to improved sense of wellbeing, leading to better physical and mental health.

The LifeLink Coordinators, coach participants on a one-to-one basis, working together to find ways for each person to improve their wellbeing and meet their needs by connecting them to social activities, clubs, groups and local services. By introducing suitable local services, groups, clubs or activities, each individual's social and practical needs can be supported and LifeLink will help, every step of the way.

Getting involved is easy. People can self-refer to the service, or ask a friend, supporter, GPs or other professional to help them to make a referral. Simply call the local LifeLink Coordinator to find out more and get involved.

For Haverhill LifeLink call Elaine 07967 670592 or Charlotte 07967 670602. For Brandon LifeLink and Mildenhall LifeLink call Rob 07773 046836 or Amba 07971 534462.

LifeLink is currently available in Brandon, Haverhill and Mildenhall with expansion in the New Year to include Bury St Edmunds Central, Bury St Edmunds Rural (Blackbourne), Newmarket, Sudbury Central, and Sudbury Rural (WGGL).

For more information on LifeLink, and its schedule for expansion, please visit <https://www.westsuffolk.gov.uk/community/lifelink>

WEST SUFFOLK COUNCIL

Fly-tipping

Find out how to report fly-tipping and prevent your rubbish being fly-tipped by others.

What is fly-tipping?

Fly-tipping is the illegal dumping of rubbish. It is punishable by a maximum sentence of 5 years imprisonment and the possibility of an unlimited fine on conviction.

Fly-tipping:

- can seriously pollute watercourses and contaminate land.
- can endanger human health, wildlife and livestock.
- is unsightly, spoiling our communities and the quality of life for local residents.
- is seen as a major problem by over three quarters of landowners and affects 67% of farmers.
- undermines legitimate businesses who are undercut by illegal operators.
- encourages others to dump more waste.

Prevent fly-tipping

If you are a householder, landowner or run a business, you have a **legal responsibility to make sure your waste isn't fly-tipped**.

Householders should always check waste is being disposed of by a **registered waste carrier**. You can check the register of waste carriers on the EA website here.

If waste is dumped on private land, landowners have to clear it at their own expense.

Report fly-tipping

Your local waste collection authority clears fly-tipping on public land.

Contact your local council:

West Suffolk Council

01284 763233 / customer.services@westsuffolk.gov.uk

Alternatively, you can report bigger incidents of fly-tipping by calling the Environment Agency's 24 hour Hot Line on 0800 807 060. They investigate incidents with a greater potential to cause harm to human health and damage to the environment.

Any information you supply will be treated in strictest confidence in accordance with the Data Protection Act 1998.

Tips for reporting

Witnesses are vitally important in enabling action to be taken against people who fly-tip rubbish.

It will be useful for you to record the following information:

- Time and date of incident
- Description of person(s) dumping rubbish
- Description of vehicle(s) involved, including registration numbers
- Description of the rubbish dumped
- Photographs can also be very useful, but only if it is safe to do so
- Keep any notes you make at the time, even scribbled ones, as they can be very valuable as evidence.
- Stay safe – do not confront fly-tippers.

Do not look for clues in the waste yourself, as there may be harmful items hidden in it.
