HUNDON WI

Hopefully , subject to Covid
Restrictions as the saying goes,
Hundon WI will be back in the
summer

May will be our annual meeting (outdoors). We will then be starting with a welcome back garden party for our current members and we will open in August with an outdoor picnic. Back in the Village Hall from September we have a programme up to March 2022 which features craft skills (Christmas ring decorations and needle felting), yoga; biscuit making; a story of hearing loss entitled 'Read my lips' , a medical herbalist and a sharing Christmas Supper.

If you would be interested in joining us or would like to see our programme please phone Jan on 786369

HUNDON PARISH COUNCIL - Full Minutes will be available on the Hundon Parish Council Website

Hundon Parish Council postponed the April meeting due to a period of mourning for the Duke of Edinburgh, the meeting is rescheduled for 28th April 2021. A summary of this meeting will be in the June issue of the Hundon Herald.

Village Matters

2 Farmerie Road – Removal of the tree at 2 Farmerie Road has now been completed.

Postponed election due to be held on 6th May 2021 – Nominations were received by West Suffolk Council for the Vacant positions on the Parish Council.

It was an Uncontested Election. The Parish Council is now at full capacity.

Hundon Parish Councillors:

Cllr Doug Nimmons

Cllr Geoff Spooner

Cllr Brian O'Leary

Cllr Richard Edwards

Cllr Denise Hewett

Cllr Chris Callow

Cllr Mark Carpenter

School Bus Service - It has been brought to the attention of the Parish Council that the school bus service has been delayed on occasions, causing children to be late to school, due to deliveries blocking the road. Where possible, please consider the timings of the school bus service, if there is a chance the road could be blocked for a period of time.

Planning applications

These can be viewed via West Suffolk Council. A full list of applications received will be published on the Hundon Parish Council website.

**ESTATE CHARITY THOMAS ROGERON/RELIEF IN NEED CHARITY
2020 REPORT**

Trustees: Messrs. Davis, Impey (Chair) and McLardy; Rev Mitchell (part of year); Mesdames Morse and Turner; Miss Upson (clerk).

Farmland: All Rogeron farmland is being rented with income continuing to be stable. That being rented to a local business has been cleared and fenced, resulting in improved access and tidiness.

Allotments: By the end of the year there were approximately 44 allotments, of a variety of sizes, some of which have had no rent paid on them as it's the first year of the tenant taking over their plot, with many being garden extensions. The Hundon Allotments Tenants' Association was formed and their Committee has taken over the day-to-day running of the allotments. One of their aims is to help make the allotments cost neutral for the Trust within 3 years, as the allotment income does not reflect the recent capital expenditure on improvements, nor does it come anywhere near covering the annual running costs, which has implications for the amount of grants that can be given to parishioners. The HATA has, so far, received £2,200 in external grants and is currently looking at other forms of funding, with advice from Community Action Suffolk. 2 new ventures are well on the way, namely an orchard and a wildflower meadow. Many thanks go to all the volunteers who have helped with these, and especially to Liz Hickee and Fiona Gould for their hard work in setting these projects up. Trees and hedges have been tidied up or removed, depending on their condition. The many rubbish heaps have generally been cleared; from the beginning of 2018 allotment holders have been responsible for disposing of any waste from "their" allotments. Mr. Basham has done a sterling job of keeping the grass tidy and the footpaths close mown. The bank at the southern end of the field has been left, for the most part, to encourage wildlife. The Trustees are extremely grateful to Mr. Davis for the terrific work he has done on the allotment area (and his goodwill) and to Mr. Smith (the Trust's Land Agent) for his excellent advice, support and patience.

Hundon Educational Foundation: This received a grant of £3,750 from Rogeron's.

PCC: The PCC received a grant of £2,500 from the Rogeron Charity. Maintenance of the church clock continues to be paid for (as part of the Charity's statute).

Other grants from the "main" trust: 2 local organisations received grants to help ensure their viability, so that members are able to enjoy improved access to leisure and social facilities. The Charity also gives financial support towards the costs of running the Post Office.

RIN: The Relief in Need Charity (Hundon Trust Fund) received £1,250, also from the Trust. Grants of approximately £1,000 were distributed. These included funding to help members of local organisations enjoy improved access to leisure and social facilities and also grants to help parishioners within their homes, with difficulties caused by the pandemic, with their disability and medical needs and to gain qualifications.

Estate Charity of Thomas Rogeron: Charity number 212255
Relief in Need: Charity number 206373

**THOMAS ROGERON'S TRUST
HUNDON
HUNDON RELIEF IN NEED**

Parishioners are invited to apply, at any time, for grants from the Hundon Relief in Need Fund. These may be for individuals who reside in Hundon or Hundon organisations. The sub-committee of the Trustees consults on a regular basis, enabling applications for smaller requests to be discussed quickly. Larger grants, requiring a full meeting of the Trustees, are discussed twice a year (generally March and November).

Grants can be made for such things as

- the supply of tools or equipment to aid or improve employment potential
- the provision of funds for developing leisure or educational skills
- extending opportunities or resources for local organisations
- the provision of facilities for the physically or mentally disabled
- payments to assist in the meeting of utility bills (in extreme cases)
- payments to relieve sickness or infirmity
- help in paying travelling expenses for those attending hospital as out-patients or those visiting in-patients
- providing help for those who are carers
- providing grants to any who are suffering from the effects of the pandemic

This is not an exhaustive list – we consider all types of requests! However, we are not allowed to give grants for anything which should be paid for by the state (such as various benefits).

Please apply in writing, giving as much detail as possible. Please explain who the grant is for, how much you are requesting, why you are requesting it, how or what the grant will be used for etc.

Please note we will need receipts for any equipment you may buy or any services you employ.

Letters of application should be sent to the Clerk: Miss S. Upson, 31 Windmill Rise, Hundon CO10 8EQ

All applications and grants are dealt with in the strictest confidence.

BROXTED SOLAR COMMUNITY FUND

Please be advised that applications for funding are invited for projects benefitting the community of Hundon. This advance notice will enable those seeking to create such schemes to carry out feasibility studies costings etc. needed to support any application. Further information together with application form will be available in the June Herald.

UPDATE ON THE ALLOTMENT FIELD

Allotments

HATA consulted with allotment holders and as a result have agreed a rent increase and a new Tenancy Agreement. As of this month we have 44 paid allotments compared to 22 at this time last year and we thank all the allotment holders for their support and (mostly!) paying on time!

Dog walkers

We are entering the busiest time of the allotment year – lots of seeds being planted and established. We would therefore be very grateful if dog owners could keep their dogs under control and, most importantly, **off the allotments**. With thanks in advance.

Paths

Many thanks to the volunteers who are mowing paths around the allotment field, especially to those who have created a new path all the way round the bottom of the wildflower meadow.

Housing

There was much consternation recently, when a surveyor was seen on the field. When questioned, he said he was doing a pre-building application survey. This was followed by the publication by West Suffolk Council of the comments from the consultation on their Strategic Housing assessment. In amongst the many responses from villagers expressing their unhappiness with the idea of the allotment field being built on, was a submission from the Land Agent who advises the Rogeron Trust, expressing great support for a housing development. We hope this was his own opinion, rather than him representing the views of the current trustees. HATA will continue to work as constructively as possible with the Rogeron Trust. We aim to gain their permission to take over the management of the whole field, solving their cost issues, and optimising the benefits of the field for the community and wildlife. And thereby to reduce the likelihood of planning permission being given for housing.

Wildflower Meadow

Nearly 25 volunteers managed to avoid the hail whilst sowing wild flower seeds and plants to improve the species richness of the meadow and bank. Thanks to them and the seed and plant donors and particularly to John Christophers, who has driven and co-ordinated the work on the meadow. You will start to see new notice boards (thanks, Simon!) with information about the different habitats around the field and plants and animals you may see. Eventually we hope to have a full nature trail.

Plant Sale Saturday 8th May at 10.00

Please support our plant sale – see main advert on the front page. We would be very grateful for donations of any spare plants you may have – veg, annuals, perennials, houseplants. Please drop off on Friday 7th May either on the summer house porch on the allotment behind Dream Catcher Cottage (the wood-clad house on Church Street) or in the front garden of The Cottage, Church Street.

YET ANOTHER DAY LITTER PICKING ALONG CLARE ROAD

We regularly pick up litter casually thrown out of passing vehicles between our home Vincents Cottage and Thicks Farm. We've hit an all time low with 8 pairs of blue surgical gloves and some masks thrown out all along that section. Over the past year increasing numbers of wine bottles are thrown out too, obviously wealthier litter louts. We can only surmise people drive along swigging from bottles whilst driving under the influence.

Sue & Tony Eaton

CRICKET NEWS SPRING 2021

Finally, we are going to play cricket again on the meadow, after a year off. I believe 2020 may have been the only year we have not played cricket on the ground for well over 50 years, certainly since it moved from the Clare Road site, past the Thicks Farm entrance and well before my time.

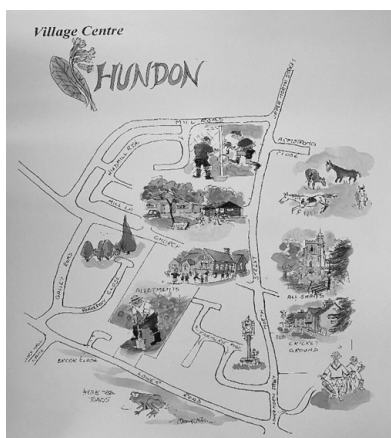

The ground and club house are well in preparation with a new sign & nets and a general spruce up to celebrate our re-opening.

Hundon Cricket Club plays in the south Cambridge mid-week league, usually on a Wednesday. This year we are in division three, out of four, but the engagement tends to have a higher priority than the result. Feel free to come down to watch and admire a delightful village amenity and the cricket of course.

Home games:

9 th	June	v Ashdon
30 th	June	v Swards End (away game being played at HCC)
7 th	July	v Abington 2
14 th	July	v Newmarket
21 st	July	v Mill Green
28 th	July	v Saffron Walden
4 th	Aug	v Swards End

Anyone interested in playing or helping out please contact Nick Clarke on 07971 855531

To remind you we still have the charming village map for sale, available from the shop at £5.00 – with all proceeds going to the Cricket Club.

Thanks for your support - Jumbo Barker

FOR SALE

10 kilo (2216) bag sealed as new medium size fish pellets. Suitable for gold fish and koi carp.

Also 10 kilo drum almost full.

Not now required due to night visit by a hungry otter.

From Suffolk Police:

E-SCOOTERS

Although you can legally buy an e-scooter in the UK, you cannot currently ride it on a public road, cycle lane or pavement. The only place it can be used is on private land.

Drivers or riders seen to commit offences will be issued with Traffic Offence Reports (TORs) and face a fine, points on their licence or even court action.

E-scooters are treated as motor vehicles by the Department for Transport and are subject to the same legal requirement as other vehicles.

If caught riding an e-scooter in a public place, fines you could receive include:

- a fixed penalty notice for no insurance, with a £300 fine and six penalty points
- a fixed penalty notice for no driving licence, up to £100 fine and three to six penalty points

Other offences which might result in penalties (including arrest) include: riding on the footpath; using a mobile phone; riding through red lights; and drink/drug driving.

Further information about the use of e-scooters and other powered transporters can be found on the UK Government website here:

<https://www.gov.uk/government/publications/powerful-transporters/information-sheet-guidance-on-powered-transporters>

PARISH COUNCIL WEBSITE

<http://hondon.onesuffolk.net/>

HUNDON FOOTBALL CLUB

The club has been fund raising to replace the changing rooms for a number of years. The current portacabin was always a temporary measure and is now beyond repair and unsafe. Thanks to support from The Parish Council, Village Hall Trustees, other village organisations, West Suffolk Council, councillors, Haverhill Rotary Club, Suffolk Football Association and individual donations we are now close to being able to realise the dream of a purpose built facility.

The club is working closely with The Football Foundation who will provide match funding when we meet all their criteria. The new facilities will enable the club to recommence junior football, have a seniors walking football team and allow our existing two teams to play at home rather than hiring other pitches in Haverhill or Stoke by Clare. Whilst the ground has not been in use the club has been improving the pitch and that work will continue.

Some work has now commenced, the site will have further demolition and building going on in the coming months. Anyone accessing the area should take great care.

The changing rooms will be a community asset and other organisations will be able to use the facilities when not in use by the club.

We look forward to welcoming supporters back to watch our teams playing their matches in their rightful home. For any supporters who wish to watch the teams play, information on match locations can be found on www.fulltime-league.thefa.com

Anyone wishing to support the club or having any questions can contact Anne Cutts Vice Chair by email annecutts189@hotmail.com

Registered Charity No 1029710**

YOUR COMMUNITY NEEDS YOUR HELP

CLASP was founded in Clare in 1985 to serve those in Clare and surrounding villages who might be in need of help and assistance, as well as supporting worthwhile local activities. *CLASP continues to operate during the Covid Pandemic, albeit on a reduced level.*

CLASP normally operates a **SENIOR CITIZENS CENTRE** providing a lunch and social activities on a Wednesday, **CAR AID** which provides free transport to take clients to and from medical appointments, the **CLASP MINIBUS** available for hire by local charities, schools and support groups, and **FUND-RAISING EVENTS**, including Table Sales in the Town Hall.

CLASP is totally managed and run by **VOLUNTEERS** and is always delighted to welcome new volunteers to assist with its community activities. ***IN PARTICULAR, CLASP NOW NEEDS TO RECRUIT A NEW SECRETARY TO COMMENCE DUTIES IN MAY 2021.*** *The duties include organising monthly Committee Meetings, taking and circulating the Meeting minutes, and dealing with other communication and administrative matters as they arise.*

If you are interested in helping your community with CLASP please contact the CLASP Chairman, Mike Arnold, on 07934 087559.

Community Project – Planting the Village Hall Verge

Summer Snowflake
(*Leucojum aestivum*)

The Primroses we planted as plugs are beginning to flower, they are very small at the moment but with luck they will grow and spread. The wild Daffodils are dying off and in their place the Tulips and Summer Snowflakes are coming through. Yet to come are Bluebells, White Wood Anemones, Fritillaria Meleagris, Cowslips and Star-of-

Bethlehem. Some may well not come through this year they will be getting established underground. By all means if you would like a closer look at the flowers walk on the verge carefully avoiding trampling the ones to come.

Haughley Park Bluebell Woods.

Open Sunday, April 25th and Sunday, May 2nd 2021

English Bluebells
(*Hyacinthoides Non-scripta*)

From 2.00pm to 5.30pm
£4 Adults, U16s free
Cash only, on the gate
Gardens and woods
Social distancing rules apply

PLEASE NOTE: Unfortunately, due to Coronavirus restrictions, we are unable to offer refreshments in the barn this year.

For those with walking difficulties, we are allowed to park next to the woods avoiding the walk from the car park for the house. The woods are all on the level and easy walking with wide paths.

We, as HGC, will not be organising this trip but are just letting you know so you can make your own way there. I doubt car sharing will be allowed by then but once there,

it is all outside apart from toilets. I am planning to meet up with my family there and take our own refreshments.

HUNDON VILLAGE SHOP AND POST OFFICE

Hopefully by the time this edition of the Herald reaches you the weather will have warmed up a bit after a chilly April and the night frosts will have gone for this year meaning that the gardeners out there can crack on with this year's planting. We now have compost back in stock and a good variety of plants too.

With the warmer weather and the "rule of 6" for outdoor gatherings meaning we can socialise with friends; the smell of BBQ's will once again be drifting across the village. We are often asked for BBQ charcoal so new in stock this year we have bags of instant lighting charcoal available and of course great sausages and burgers from the Kedington butchers.

NHS collection tin – Many thanks to all who have donated change to the NHS collection tin over the past year. On your behalf we have just presented a cheque to the West Suffolk Hospital for £430 which will be used toward staff amenities.

THE RECTOR'S RAMBLINGS: LIVING OUR LIVES TO THE FULLEST – MAY 2021

Dear Friends

I am writing this the day after we received the news of the death of HRH Prince Philip, and the news that his funeral, like so many others in the past year will be considerably smaller than we would have wanted or expected. Perhaps it is a good reminder that in death we are all equal, and all of us, whether a Prince or Pauper, each must make that last final journey on our own.

As people of faith however, we believe that our death is not the end, but is in fact the beginning of something far greater, a time when all our doubts and questions are finally answered, all our concerns and worries are laid down, and we can truly be free and surrounded by the loving embrace of the God who created us and knew us before we were even born (c.f. *Psalm 139*).

And although none of us knows when we will be finally called home to God, whether we will have many years or decades, or just a few short hours or days, as the Priest and Spiritual writer, Henri Nouwen, reminds us "far more important than our quantity of years is the quality of our lives. Jesus died young. St. Francis died young. St. Thérèse of Lisieux died young, Martin Luther King, Jr., died young. We do not know how long we will live, **but this not knowing calls us to live every day, every week, every year of our lives to its fullest potential.**"

In our churches during May we continue to try to live our lives well, to continue to celebrate Easter, after all you cannot have too much of a good thing! In fact Easter remains on our hearts and minds all the way through to Pentecost on the 23rd May when we then give thanks for the gift of the Holy Spirit and is considered to be 'The Birthday of the Church' the point when the disciples and first followers of Jesus began to spread out across the world proclaiming the Good News that with Christ's resurrection, death had been beaten, and that our end isn't really the end after all, and we are therefore able to live fully all that days that are given to us.

May God bless you, your families, and your neighbours, and may all our endings be new beginnings.

Mark

The Revd Mark Woodrow

Hundon Allotment Field

Interested in taking up an allotment and joining our social community?

You could create a few raised beds or planters to grow your own food or flowers.

You could create a grass area with some seating from which you can relax and enjoy the view; and watch the owls and bats flying around in the evening – whilst enjoying a drink or two with friends and neighbours.

For further details please email liz.hickes@hotmail.com or 01440 786321

**COPIED FROM VILLAGE FACEBOOK PAGE
BE AWARE**

Someone had left a foil tray containing raw chicken partly hidden on the verge. This was hidden by the 40 mile sign coming from Mary Lane to the end of Lower Road at Valley Wash. Our dog went near but thankfully did not touch it.

We disposed of it and have spoken to a pest control specialist who said it is most likely to have been poison and although our dog did not touch it a younger dog may have grabbed some before it could be stopped.

If someone did put poison down that is a cruel thing to do as all the dogs walking by all the verges love to stop and investigate the scents left there. If it was someone trying to feed animals it would be kind to let us know that it wasn't poison, but left in the heat of the sun that could also have been a problem.
