HUNDON W.I. We're back!

I'm pleased to report that Hundon Women's Institute is now active again, which makes a delightful switch from our zoom meetings! We have a new committee and President (☺me!), and lots of exciting events planned for the coming year.

Nearly all of our members have rejoined this year, at a reduced rate, and we are welcoming visitors of any age to come along to any of our meetings - just to see if you like us.

Our 8th July meeting is a members only garden party, kindly hosted by Jan McLardy. We're starting off with a picnic in the cricket field on 12th August (thankyou Jumbo!). A good excuse to air those summer dresses, have that long lost chat with all our friends over tea and cakes, and support a worthwhile Charity.

Our Village Hall programme starts on 9th September with a medical herbalist, a talk on lip reading, Christmas decorations etc. etc. See our village Facebook page for details each month.

Why not come along and give us a try, we won't be offended if you don't come back again, but you might just be surprised to learn that there are so many lovely friends and neighbours that you haven't yet met.

FLOWER FESTIVAL

29-30 AUGUST 2021

It is very much hoped that this year we will be able to hold our annual flower festival, Covid restrictions permitting (or complete lack of them)! We will also be serving tea and coffee with our usual delicious homemade cakes! If you would like to sponsor an arrangement in memory of someone that will also be possible. So please put these dates in your diaries and there will be more about it in the August edition.

HUNDON POST OFFICE – Three Years

It doesn't seem three years since we fought to save our Village Post Office at a time when many others were closing. Megan has done a great job since taking on the role in serving our village along with Rachel, her current deputy. We have been particularly lucky during the Covid Lockdown to continue to have a working PO and shop here in the village – for some it has been a lifeline. On behalf of, I'm sure, everyone in the village and beyond I would like to say a big Thank You to them both and also to everyone who has worked to keep the Village Shop stocked and open in these difficult times.

Three years ago, when we worked to save our PO a number of village organisations and individuals agreed to contribute to a village subsidy fund, called Friends of Hundon Post Office (FOHPO), to ensure our Post Mistress receives a living wage for the services she supplies to the village and surrounding area. Indeed, without the fund we were told by Post Office Ltd (POL), in no uncertain terms, that our PO would have been closed. POL do not pay minimum wage to Post Masters/ Mistresses as they say the job is contracted and it relies on commission, which in a PO our size is hard to achieve. I am sure I speak for everyone in the village in saying THANK YOU to the FOHPOs for their financial contribution, as without them we would not have a PO. Indeed, there are now many customers from Kedington, Barnardiston and Clare who prefer to use our PO. The FOHPO fund has now been running successfully for nearly three years and we need to keep it going if our PO is to survive.

We are about to rebuild the fund for next year, which starts again on 1st August. Jane Tabram (who helps me manage the fund) and I will be contacting previous years' contributors in the next few weeks to see whether they wish to continue but we already know a few have been lost over time. To ensure our PO keeps open and Megan and Rachel receive a living wage for the excellent service they give us, we ask you all to consider whether you are willing to help. If you are please contact either me (786489) or Jane (786501) and we will explain how the fund operates. The names of contributing individuals are known only to Jane and myself and are not shared among the donor group or publicised.

HUNDON EDUCATIONAL FOUNDATION

The next meeting of the Trustees will be held in July 2021
Please apply now - applications received after 4 July will not be considered until next time.

GRANTS FOR EDUCATIONAL PURPOSES

If you need financial assistance to pay fees for educational courses (including music and sports), for educational outings, for books or fees for students at college or university, or for any other educational purpose, then you can apply for a grant.

Applications

Please apply by email and include your bank sort code, account number and the exact account name. Then any grant will be transferred directly into your bank and you will be informed by email. This will save us all handling cheques and is secure PROVIDED you are careful to give accurate sort codes, account numbers and the exact account name as it is difficult or impossible to recover monies sent to the wrong place.

To be considered for a grant, you must:

Be under the age of 25 or making an application in respect of a person under 25.

Reside within the Parish of Hundon.

Please apply by email giving the following information: Name and address of student.

Age of student.

Your sort code and account number and the exact account name.

Details of your application.

Due to restricted funds the trustees cannot normally make grants for routine travelling expenses.

General Data Protection Regulations

Your details will be recorded on the Foundation's records for audit purposes but your bank details will be deleted from our records once any payment has been made. So, if you have made an application in the past you will need to supply your bank details again.

Emails should be sent to beaufordlodge@hotmail.com by 4 July 2021 and will be acknowledged and dealt with in the strictest confidence.

Letters, if essential, can be sent to Beauford Lodge, Mill Road, Hundon.

Please phone the Administrator, Bernard Beer on 07899-922418 or 01440-786942 if you need any further information

THE RECTOR'S RAMBLINGS: "A REPAIR SHOP IN EVERY COMMUNITY" – JULY 2021

Dear Friends

One of TV's most unlikely hits in recent years has been "The Repair Shop". For those of you unfamiliar with the concept behind the show, which now attracts audiences of 6.7 million, is, on the face of it, a recipe for very dull TV: People bring their dilapidated old possessions and heirlooms to a barn, where a group of experts restore them. Then the owners come and get them. But there is, of course, much more to it than that.

The reason behind the show's success is that almost every item brought into the repair shop has its own very special, and often very moving, story to tell. Recently I watched an episode where the team were restoring a clock set into the side of a beautiful wooden ship with metal sails. The clock had been given as a gift by a grandfather to his grandson when he was boy. Now, grown up and with a son of his own, the grandson returned to the barn for the big reveal.

The clock's owner was deaf and communicated through sign language. His son interpreted as his father expressed his emotion at being reunited with the clock, now restored to its former glory. He said that he could suddenly see his grandfather more clearly in his mind, and that seeing the clock as it was when he had received it so many years ago made him feel like he had been reunited with his grandfather who died when he was just 10 years old.

We are taught, as Christians, to have a cautious relationship with material objects. The Bible teaches us not to place greater importance on material things than God; it warns us of the dangers of covetousness which leads to an insatiable desire for more and more. Indeed, those who are called to live a life of Christian devotion as monks or nuns are required to take a vow of poverty in which they give up their personal possessions and any sense of ownership, sharing all they have with the community.

So how do we square this teaching with the very real and often very emotional relationship that many of us have with at least some of our possessions? Can we enjoy our valued possessions and still be faithful Christians? The answer is clearly yes. The key to all of this is simple: it's about our hearts. Do we live for our wealth and possessions, or do we live to use them for the glory of God? If Jesus came to you today and said, "I have great plans for you. Come, sell everything you have and follow Me" would you be able to part ways with your things? This is the test to see if you make possessions an idol or not.

Back to that barn and those expert craftsmen and women. What the world really needs is an equivalent barn where broken people can turn up and share openly and honestly the stories behind how we came to be broken and to acknowledge our own part in that story; a place where, having shared the story, we can then ask to be carefully, lovingly, painstakingly restored to our former glory. Imagine if we had the opportunity to be repaired, restored, re-created by our master craftsman creator, lovingly held in his hands as he removes all the dirt and stains, cracks and damage of our lives, restoring us to his original vision for us.

Well, the good news is that such a barn does exist. In fact, there is one in almost every village, town and city in the country. Churches are the repair shops where we can go to be repaired, renewed, and restored by God our Creator.

If we are moved by the restoration of a clock, imagine the emotion and power of seeing human beings transformed, forgiven, and restored. Now that is a show I'd love to watch!

With grateful thanks for the blessing which you all are to one another and to me as well.

Community Project – Village Hall Verge

Now the spring bulbs have finished flowering the grass has been cut including the sloped grassed area around the War Memorial.

Hopefully by now the new railings will have been erected to make the sloping area Health and Safety secured.

Lady Xa Tollemache

Good News at last! You may remember we booked Xa to give us a talk on 'A Garden Well Placed' in April 2020, we have re-booked her for 9th October 2021 as long as Covid restrictions allow. More news soon! See if you can find your tickets!! Don't panic I have a list!

Activities for 2021

Following a committee meeting we are planning a couple of activities this year, covid rules permitting, and would like to invite you to join the Hundon Gardening Club. In normal times we meet every third Thursday of the month at the Village Hall from 7.30 pm. We invite speakers to talk on various subjects, some with a vague connection to gardening, such as The Woodland Trust and some with a more traditional connection such as 'Getting the Best out of your Roses'.

We have an Annual Show, exhibiting items from Crafts, Cooking, Vegetables, Fruit, Photography, Flowers and Flower arranging from Adults and Children. We have held a successful Art Exhibition along side the show.

We visit gardens several times a year. Last year we should have had a trip to see Bluebells another to see a tulip display and Lullingstone Castle to see the 'World Garden' having a conducted tour by Tom Hart-Dyke who gave us a talk in 2019 to name but a few.

In the past we have held Open Gardens every 2/3 years, the last one being in 2019.

The last few years we have had a 'Spud in a Bucket' competition open to the village. Competitors have a bucket and a spud and in late July we have a weigh-in with prizes for adults and children followed by a picnic.

Along with members of two local gardening clubs we organised a 'star' speaker when we hope to fill our hall to capacity. In the past we have invited Pippa Greenwood, Bob Flowerdew, Tom Hart-Dyke and were due to have Xa Tollemache from Helmingham Hall. We hope to see her this October.

We organise an annual meal and an AGM. So, if the above appeals to you and you would like to join us please contact me on 01440 786554, or mobile 07881981096 or email j.burrows60@icloud.com and you will be invited to join in the activities we have this year.

Our fee for last year was £8 and if you are a member and have paid your subscription it will include this year as well. Hope to welcome back the old faces and see a few new faces soon!

Hundon Allotment Tenants' Association (HATA) are pleased to announce that the Rogeron Trust have accepted our proposal and HATA will, by the end of the year, take over the management of the whole allotment field. We intend to actively improve the field for the benefit of allotment holders; the rest of the community and for wildlife.

As well as using the allotment fees to improve the facilities for the allotment holders, HATA will continue to fund-raise and apply for grants to pay for our proposed improvements as well as funding the ongoing management costs of the field. We will also make a small annual donation to the Rogeron Trust to ensure the Trust achieves absolute cost neutrality for the field. This will allow the Trust to meet its charitable responsibilities and donate all its income to the benefit of the people of Hundon through its Education Foundation, the Relief in Need charity and the church.

The Rogeron Trust has assured HATA that the Trust has no intention to sell any part of the field for development in the foreseeable future, and if HATA can achieve its objective as laid out in our proposal, the Trust will continue to support our plans.

ROGERON TRUSTEES' AGREEMENT WITH HATA

The Trustees have accepted the proposals put forward by the HATA with regard to the management of the whole of the allotment field.

The Trustees are very grateful to the HATA for taking over the day-to-day running of the field and look forward to working with the HATA for the benefit of the community at large.

FROM POLICE CONNECT

SUMMER SECURITY

As we finally get to enjoy some warm sunny days, we naturally tend to have windows and doors open more, spend more time in the garden and take time out to enjoy the stunning Suffolk countryside.

Please take every opportunity to ensure that criminals are not able to spoil your day by following a few simple steps:

- Always lock your external doors, even when you are at home.
- Check the doors and windows are secure before leaving the house or at night, especially doors like French doors that may not have been used for months. Don't assume another member of the household has done it.
- Don't leave keys in the locks or within reach or sight of the door or window. Make sure you have a fire plan so everyone in the house can leave quickly in the event of an emergency.
- Windows should be left secure when a room is unoccupied, even if you are still in the house.
- Never leave a door or window insecure to allow a pet or family member access.
- Never leave car keys within reach or sight of the doors or windows.
- Lock cycles in a secure shed or garage. Fit a secure ground anchor and lock them to that too.
- Always lock tools away after working in the garden to prevent them being used to force entry.
- Ensure your rear garden is secure and lock gates.

CATALYTIC CONVERTER THEFTS

Police are appealing for information and urging vigilance after three thefts of catalytic converters from vehicles on Tuesday 15 June, where in one incident a member of public was injured after disturbing the offenders.

This incident occurred at approximately 11:55pm in School Road, Kedington.

Four males were seen removing a catalytic converter from a Honda CRV, parked on the road, before getting into their vehicle – believed to be a dark-coloured Audi A3.

The offenders were challenged by a member of public, a man aged in his 50s, who attempted to stop them, but the front passenger opened his window and threw an unknown liquid in the man's face causing reddening to his eye and blurred vision.

The suspects then reversed towards the man before driving away.

The man was taken to hospital for treatment but his injuries were not serious and he has since been discharged.

Witnesses, or anyone with information, are urged to

contact Suffolk Police quoting reference 31923/21.

Further incidents were also reported in Beccles on Tuesday 15th June.

At some point between 9:45am and 11:45am, a Suzuki Jimny had its cat converter stolen whilst parked at the Tesco carpark in George Westwood Way (reference 31967/21).

Another theft of a cat converter from a Toyota Avensis was reported to have taken place between 10:45am and 1pm whilst parked at the Beccles Tennis Club in Common Lane (reference 31958/21).

Officers are continuing their investigations and are exploring links between the incidents reported.

Members of the public are urged not to approach offenders if they see a theft in progress, for their own safety, but to instead call police on 999.

Witnesses or anyone with any information about these incidents, or who saw any suspicious vehicles at the times stated, should contact Suffolk Police via

Complete an online contact form.

Phone – call 101

In an emergency always call 999.

Owners of vehicles can follow these tips:

- Keep private vehicles in a well-secured garage where possible, and if no garage is available, in a well-lit public area.
- Park vehicles in such a way as to make access to the catalytic converter difficult or parallel with another vehicle if you own one.
- Keep commercial vehicles in a locked building or compound.
- If possible, use alarms, lighting and CCTV to deter thieves

Thank You

Thank you so much to everyone who spent time strimming or mowing all the road verges in recent weeks, especially at junctions and on bends. With the cow parsley etc growing so high, it would've been a lot more dangerous to come out of junctions and go around bends if there hadn't have been so many public spirited people who have helped everyone.

FROM SUFFOLK TRADING STANDARDS

Scam emails have been sent impersonating the NHS in which they invite you to apply for a Covid vaccine passport - this is a scam!

One email had the subject title "We are happy to introduce Digital Coronavirus Passports". The contents of the email can be read in the attached photograph.

Clicking on the "Get Digital Passport" link takes you to a convincing but fake NHS website that asks for personal and payment details. (For a "process fee"). The website has since been taken down.

Remember, your vaccination status is obtained FREE through the NHS App, NHS website or via phoning the NHS on 119.

More information can be found on the government website: <https://www.gov.uk/guidance/demonstrating-your-covid-19-status>

NHS

SCAM

Dear Sir/Madam,

Starting today you can apply for a Digital Passport.

The Coronavirus Digital Passport is documentation proving that you have been vaccinated against COVID-19 or you recently recovered from COVID-19.

The passport will allow you to travel safely and freely around the world without having to self-isolate.

Who is eligible?

UK citizens and their families, and legal residents.

How do I get the certificate?

You can get your Digital Passport via NHS portal by clicking the button below:

[Get Digital Passport](#)

How does it work?

Each issuing body has been allocated a digital signature, which is embedded in the QR code;

border staff will scan the QR code to see the data, although no personal data will be seen – nor will personal data of the holder go through the gateway which nations are using to verify signatures.

A gardeners guide to... Bird Nesting Season

The nesting season runs from March to August - but some birds nest earlier/later

Nests are often well hidden, so you might not know they are there

Birds may be nesting in your trees, shrubs, ivy, hedges, nest boxes, under eaves and on the roof

All wild birds, their nests & eggs are protected by law - this includes gulls, pigeons & crows

Do not cut back hedges, trees and other vegetation during nesting season - this risks disturbing nests

Trim hedges once a year in winter if needed - this gives wildlife the chance to eat any berries
