January 2022

Get this in your diaries now!

Thursday to Sunday - June 2 to 5, 2022

It's not far off - the biggest celebration event the UK has ever seen and Hundon will be part of it!

The Village Hall Committee and the Parish Council have both met this week and discussed how the village can generate ideas, volunteers and commitment to organising some activities for the whole village over the four-day bank holiday and weekend of the Queens Platinum Jubilee.

There is not long left to get plans in place and we need volunteers to organise and support activities for the village. Funding will be available from the Parish Council and hopefully other sources to hire equipment or buy materials. Miles of bunting may be required!

Anyone with ideas and some hours to spare to get involved should come along to the Village Hall on the 22 January at 2pm so we can make some firm decisions and get plans in place.

In the meantime - if you are already planning something, have ideas or want to be involved please email: hundonvillagehall@gmail.com or drop a note into the Village shop.

We have listed a few possible activities below to get the ideas flowing!

Beacon lighting on the 2 June	Open Gardens
'The Big Lunch' (Sunday 5 June) – Street Party or Giant Picnic?	Picnics on the allotment/Orchard/Wild Meadow
Fete and/or parade	Classic and Sports Car Show
Tea party/Barbecue	Pub Grand Tour
Cake competition (and cake eating)	Commemorative gifts/competitions for children
Dog show or Dog Walk around the village	Tree planting
Music events/dance/disco/movie nights	Jubilee Easter Egg Hunt at Easter
	Other Jubilee events during the year – it's not just about June 2-5!

Please see p.3 for all other January events

HUNDON'S GOING ELECTRIC!

Your village hall has agreed to install 2EV (Electric vehicle) points outside the hall. With funding from the Rural Energy Fund this will provide a valuable service to an increasing number of electric vehicle owners. For hall, shop, astroturf, and social club patrons it will provide a useful "top up" whilst enjoying the facilities.

Although it's early days in the switch to electric, we believe that to be in the vanguard of the transition marks an important step.

HUNDON WINE CLUB

Our last meeting of the year saw Charles Eaton from Nethergate Wines presenting some of his finest wines in readiness for the Christmas festivities. Charles bought us 9 wines including a vintage Champagne, a fantastic white Burgundy from St. Aubin, a Grand Cru St Emilion and a pair of after dinner wines; a sticky sweet one and a fine Port. Much lovely food prepared by Marion and Sandra was also appreciated. Needless to say, very happy wine tasters left the village hall that evening!

We have now hung up our wine glasses until the end of January, although I dare say we shall be practicing over the coming holiday season. To kick this off we had our annual Christmas meal. Next year we have a full calendar of events starting with a quiz night on **27th January 2022 at 8:00 p.m.** in the village hall. Have a wonderful Christmas and a prosperous New Year. Cheers!

ALLOTMENT FIELD UPDATE

Remedial Tree Work

Work on the tidying up the allotment field for winter continues in between the rainstorms. A local contractor has been appointed to do some tree work, but will need a dry spell to safely get the equipment onto (and off!) the field. He will be pollarding the 2 over-grown hazels just down from the gate and removing a couple of trees that are impinging on the flow of the Chilton Brook at the bottom of the field.

Fruit tree planting and the Sicon Foundation

As mentioned in last month's report, we are having another planting day on Sunday 23rd January to extend the community orchard and place fruit trees in a few other places for us all to enjoy. We will also under-plant some spring-flowering bulbs which should also help early pollinators. The trees will be provided by the Sicon Foundation and we will be helped by their volunteers. Sicon is a business software integration company based in Bury St. Edmunds who have set up a Foundation to sponsor projects across Suffolk that contribute to the environment in a positive way.

Sicon look for projects that are creating lasting, positive change, big or small and will benefit the public and community. When choosing which projects to support, they want to make sure at least one of the following objectives is met:

- Is the plot accessible to the public?
- Will the planting of trees or hedges create a recreational area for the public?
- Can the local residents get involved in the project to create awareness and engagement?
- Will the planting of trees or hedges provide a habitat for different species in an area where such habitat is scarce?
- Will the planting of the trees and hedges sufficiently contribute to the improvement of air quality for residents?
- Can the project be used for educational purposes, such as, involving schools in the planting, teaching the public about tree species/needs etc.?
- Does the project contribute to a lasting positive effect for the environment and the public?

HATA's plans for the allotment field meet most of the Foundation's criteria and we hope to work in partnership with them for several years. If you would like to find out more about other projects they are supporting please go to <https://siconfoundation.co.uk/>.

Happy New Year from the HATA team

HGC Newsletter January 2022

Our Christmas tree is up in the flower bed at the shop, you may have seen it. After a few blustery winds blew it over we repositioned it in the rose flower bed and weighted it down with a few rocks, so fingers crossed it will now stay upright!

Thinking of future displays I am wondering if we can improve the lighting. At present we have battery operated lights which aren't too bright. Do you know if solar powered lights are better? I think mains operated may be too difficult to install.

A few years ago, when the church held their first group Christmas tree display we had a real tree and Graham L-R wanted to plant it in the Village Hall verge to grow to be the Hundon's Christmas Tree. You may have seen it but unfortunately it is still very small. I am thinking the soil may need to be acidic for it to grow so will see what we can do to change the conditions.

Talking about trees, do take a few minutes to look at the displays in the church. This year's theme The 12 Days of Christmas. After a plea sent to all members, 4 of us set forth to make 9 ladies dancing, our allotted 'day'. We spent a few mornings in a member's kitchen and garden, getting to know each other, laughing,

consuming coffee, biscuits and mince pies, alongside sewing. I hope you enjoy our efforts.

On Thursday 16 December 23 of us met to enjoy a social evening with friends, food, Christmas punch, Christmas music, thanks Kev for your help, picture quizzes, not too taxing and prizes! Complete with masks, social distancing and windows open, thank goodness it was a fairly mild evening. Chris also made us a lovely Christmas Cake to finish a lovely evening.

Thursday 20 January 2022 - All members and those who would like to join the Hundon Gardening Club (HGC) are invited to our AGM starting at 7.30 in the hall.

Wishing you all a happy New Year

HUNDON PARISH COUNCIL - Full Minutes will be available on the Hundon Parish Council Website

Hundon Parish Council met on 15th December 2021 at 7:30pm, Social Club, Village Hall, Hundon

Village Matters

Highways issues can be reported online via the Reporting Tool – <https://www.suffolk.gov.uk/roads-and-transport/roads-and-pavements-and-verges/report-a-highways-issue/>

West Suffolk Local Plan – The results from the Housing Needs Survey have been compiled and will be distributed to every household in the village.

The working party are now preparing next steps in preparation for the next stage of the West Suffolk Plan consultation due next year.

Grants

The Parish Council have awarded grants to Hundon Church to support their continued work to update facilities in the church and to the Hundon Allotments Tenants Association to assist with the purchase of a new shed.

Nottingham Knockers

These individuals often claim to be on a youth offending or similar scheme, attempting to mend their ways, before trying to sell the householder everyday household products at very high prices.

Trading Standards always advise residents to refrain from buying at the doorstep and not to buckle to pressure from salespeople offering supposedly one-off 'buy it now' low prices.

Nottingham Knockers generally work in groups across the country, but they are not involved in any officially recognised offender rehabilitation programme and many do not possess Pedlar's Certificates, which are issued by police.

If you are approached at the door, please refuse to buy.

Please report any doorstep caller to us via 0808 223 1133.

Planning Applications

These can be viewed via West Suffolk Council. A full list of applications received will be published on the Hundon Parish Council website.

Update from WSC – Cllr M Rushbrook, Cllr K Richardson, Cllr N Clarke

Fly-tipping

Sergeant Brian Calver, police officer from Suffolk police's rural crime team has urged anyone with information about those responsible for fly-tipping to come forward following an increase in incidents across west Suffolk in recent weeks. West Suffolk Council stressed that it did not necessarily mean residents in the areas were responsible - as people often travelled to tip their waste.

Anyone with any information about people fly-tipping can report it to Suffolk police on 101, their local authority, the Environment Agency or Crimestoppers.

Community Restart

Funding is available to community groups through the Suffolk Community Restart Programme. The aim of the fund is to enable Voluntary and Community Sector Enterprise (VCSE) organisations to restart previous activities safely and/or to support them to switch to new ways of working. The fund is administered in partnership with Community Action Suffolk and there are currently two funding streams available (until March 2022); one for community groups and one for sport groups. Further information can be found through leaflet (see link below) or by visiting Community Action Suffolk's website (see link below). Please do promote this fantastic funding opportunities to allow our communities to restart.

WOULD YOU LIKE TO VOLUNTEER FOR AN IMPORTANT ROLE IN YOUR COMMUNITY?

If you or anyone you know has a passion for local education, PLEASE READ ON.

Hundon and Thurlow Primary Federation Governing Body is looking for volunteers to appoint as new school governors. You do not need to have a background in education; what is most important is a willingness to get involved, listen, learn and help the governing team make decisions in the best interests of the pupils. Being a school governor is incredibly rewarding. You will be given training opportunities and learn lots of new skills. There is excellent and knowledgeable support from the Federation administration team, our school leaders, as well as the Governing Body.

The Governing Body is currently carrying out all governance virtually, in accordance with UK Government Covid 19 guidance. Once normal life resumes, hopefully early in 2022, we would anticipate carrying out our roles through a mixture of face to face and virtual governance, which might well fit round your other commitments. Being a school governor does not need to take up a lot of your time; many employers, including in the public sector, support employees in allowing time for them to participate in important community work, such as being a school governor.

If you would like further information or to express interest in becoming a governor of our Federation, please email Val Phillips, Chair of Governors. Val will be very willing to chat with you informally. vphillips@hundonschool.co.uk

HUNDON OIL SYNDICATE

Hundon Oil Syndicate has been operating for many years and has enabled many households with in Hundon, Clare and surrounding villages to buy oil cheaper than they could if they were ordering as individuals. A frequently asked question is how much do I save by buying through the syndicate? The syndicate can usually get a significant reduction - the average saving during the last 12 months was 4p per litre on the normal price each month (£42 per 1000 litres, including VAT). It is even more beneficial to those with smaller tanks, who can only order less than 700litres, thus having to pay the higher price.

The Syndicate not only covers households in Hundon but also in Clare and surrounding villages. So if you are interested in joining or know someone who would like to benefit please give me a call on 01440 786415

We ask members to make a £5 yearly donation towards operating costs incurred, with any excess funds going to a good cause in the village each year. We would ask that members consider continuing with £5 donations next year. These to either be sent to me at 15 Farmerie Road, Hundon, Sudbury, CO10 8HA (cheques made payable to - Michael Humphryes) or paid by 30th April 2022 at Hundon Post Office. Hundon Post Office opening hours are 9.00am to 1.00pm Monday to Saturday.

Ordering is easy but you do need to be a registered member. There are three ways you can place an order.

- Contact me direct on 01440 786415**
- Email your details to michael.humphryes@btinternet.com and I will add you to the month's order list and send you a confirmation email that the order has been received.**
- Text details to 0781 847 8770 – please make sure you include your name, address (with postcode), telephone number and the amount of oil required. A confirmation text will be sent on receipt.**

As in the past all orders must reach me by the last day of the month for delivery during the first few days of the following month. You will receive details of the price and delivery date once the order has been placed.

The Plough Inn

Your local traditional country Inn & Restaurant at Brockley Green

—a pleasant walk from the village via Clock Hall Lane and Green Lane footpath

Tel 01440 786789

We are currently open from 12-3pm and 6 'til 10pm Tues-Fri, 12-10 Sat and 12-6 Sunday

As you may know after having enjoyed 13 years of retirement I had to take the business back in October 2019. Marion and I had taken The Plough over from my father in 1982 when it was a small country pub in need of modernisation. This work was completed by Christmas of that year although despite the upheaval remained open. This transformed the public areas, and what had been our sitting room became a small dining room which quickly became very popular.

Over the next few years it became apparent that we needed more space and whilst planning this I realised that there was a shortage of hotel accommodation locally and so decided to design the 2-storey extension to make The Plough what it is today. This proved a great success - with many local American-owned businesses having visiting executives its old-world charm made it a popular venue both for guests and conferences. Having run it for almost 25 years in 2006 we decided to retire and leased it to an expanding pub company who continued to run it successfully for several years. However, following a change in management in 2017 trade suffered and as a result our tenants who I later learnt had run into financial difficulties surrendered the Lease. Having seen trade fall by 50% in 2 years it was clear to me that I had to take it back, confident that I would be able to restore the business and its reputation both of which had suffered at the hands of my tenants. Despite what proved to be extremely challenging times - Christmas '19 went well and trade was building nicely in the New Year until you-know-what came along!

In taking the business back it had always been my intention to re-establish its reputation and trade before putting it on the market, and whilst the effects of Covid19 have had a disastrous effect on trade, earlier last year I appointed an agent. I was confident that having been able to establish a consistent increase in year-on-year trade before retiring there would be those who would be able to see The Plough's potential and be keen to develop what is a unique opportunity for an experienced operator. I suspect that there has been a certain amount of speculation as to "what's happening with "The Plough"! I can tell you now that I have an interested party who first approached my agent in June. They gave me the impression that they were very interested and that they were keen to acquire the business and would, I assumed, be in by Christmas to get the benefit of what promised to be, despite Covid19, a busy Christmas. Regrettably this has not materialised and as you may know with the uncertainty over the Omicron variant some have cancelled.

As I write this I can report that last night (Friday December 17th) we had a very busy night with 2 school parties (teachers and support staff!) and several residents and locals in. Whilst we will not be nearly as busy as last year on Christmas Day having had several cancellations, we will have an enjoyable Plough-style Christmas Day thanks to some of the many loyal customers who I would like to think are keen to support me in my efforts to bring The Plough back to its former glory.

Wishing you and yours Health and Happiness in 2022.

David

Lamb, pork, prawns, wine, sherry, crème brûlée, cheesecake.... What a selection we ate at the Plough, Rede, somewhere I will definitely go again. A great Christmas celebration with our ladies, it was lovely to chat and catch up as well as eat...to excess!! Fortunately I had elasticated waist trousers, phew!

But now our thoughts turn to the New Year and our next get together for armchair yoga with Sally Russo our Yoga Guru. Join us to start 2022 with positivity and moveable bodies. See you on Thursday 13th January at Hundon Village Hall, 7.30.

RECTORS RAMBLINGS – JANUARY 2022 (A NEW YEAR... ANOTHER WAY!)

The 6th January marks the Feast of the Epiphany, the day when the Church remembers that after Jesus was born the Magi (or Wise Men) came from the East to seek him out.

Although they are often called the 'Three Kings', the Bible does not say how many there were, or much about their lives or their characters. They were definitely men who wanted to know more about the world around them and their place in it. They had seen an unusual new star in the sky and had heard that it told of the birth of a special king. They wanted to know more. They followed this star and found Jesus.

The bible says this "On coming to the house, they saw the Child with His mother Mary, and they fell down and worshiped Him. Then they opened their treasures and presented Him with gifts of gold and frankincense and myrrh. And having been warned in a dream not to return to Herod, they withdrew to their country by another route." (Matthew 2:11-12)

So, at the beginning of this new year perhaps it is a good time for us to also stop, look up, and get our bearings. To pause and think about all that has passed. To look around at the present, the here and now. And to also re-set the compass of our hearts, for what is to come.

I don't really do New Year's resolutions – but as someone who likes to cook, I much prefer to think about a New Year as recipe, gathering all the ingredients together and preparing to make something special, so I share with you a simple recipe for a Happy New Year:

Take twelve fine, full-grown months, making sure that they are completely free from old memories of bitterness, thoroughly clean them from every clinging pain; pick off all specks of pettiness; in short, see that these months are freed from all the past.

Cut these months into equal parts (thirty or thirty-one work well but an occasional twenty-eight might also be appropriate sometimes). Do not attempt to make up the whole batch at one time, so many people spoil the entire lot this way, be sure to just prepare one day at a time.

Into each day put equal parts of faith, patience, courage, work, hope, kindness, and very importantly rest (leaving rest out is like leaving the oil out of a good salad dressing - don't do it). Pray daily. Put in about one teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play, and heaping a cupful of good humour.

The Psalms, have some wonderful words to take us into another new year, a prompting to invite God into the recipe of our own lives. 'Open your mouth and taste, open your eyes and see how good God is. Blessed are you who run to him' (Psalm 34:8 The Message).

As I have said I don't really do New Year's Resolutions, but over the years I have made many choices - some good, some bad, some mediocre!, but by far the best, if not necessarily the easiest, was my decision to become a Christian, and with this came a greater understanding of the best recipe for following the God of love, who longs to be part of our present and future – to be the compass, which sets the direction for our lives, not just at the beginning of each new year – but step by step, day after day.

So, for 2022, I pray that God's love, peace, hope and joy will be with you in all that the year ahead might bring.

Mark

The Revd Mark Woodrow
