**HUNDON RELIEF IN NEED CHARITY ~  
GRANTS AVAILABLE**

The Hundon Relief in Need Charity is a branch of the Estate Charity of Thomas Rogeron. It provides monetary help in cases of hardship and need to any resident of the Parish of Hundon.

With the pandemic in mind and the impact of redundancies, part-time rather than full-time working, the significant increases to home heating and energy costs as well as those related to food, Hundon residents are reminded that financial help is available from the charity and all applications are treated in absolute confidence.

If you, or someone you know would like more information about the grant application process please contact trustee Sarah Upson on 01440 786668 or at [supson1952@btinternet.com](mailto:supson1952@btinternet.com)

**Allotment Field Update**

Spring is now properly in the air and the allotment field is buzzing with activity as allotment holders get on with the main planting season. We are starting to see some early spring flowers on the wildflower meadow and along the sides of the ditch.

**Parish Council and HATA**

HATA attended the March Parish Council meeting. We are grateful that the Parish Council has funded the majority of our expected expenditure for the Jubilee Events we are hosting. More on this later! We also discussed the Financial Assessment and Risk Profile that HATA has put together following our first full year of responsibility for the allotments and 6 months for the whole field. HATA is in a strong position financially and organisationally. After due diligence, the Parish Council considers the risk of HATA failing to be so low that they have offered to underwrite HATA. This means that, in the very unlikely event of HATA collapsing at some time in the future, the Parish Council will ensure that the Rogeron Trust will not revert to a situation where some of their charitable funds need to be spent on field maintenance.

**Early Spring Plant Sale**

Thanks to everyone who supported the plant sale. We raised around £300 to be shared between HATA and Hundon Hedgehog Rescue.

*Fiona Gould*

**HUNDON WINE CLUB**

March's treat was provided by James Aldridge from Corney and Barrow, a wine merchant originally based in London in the 18<sup>th</sup> century. James is the manager of the Newmarket branch.

He presented fortified wines on the evening starting with a trio from Madeira; a 5, 10, and a 15 year old Madeira which was Christmas pudding in a glass! Following that our taste buds were then asked to differentiate between two dry sherries from Lustau. One a Fino, followed by a fine Palo Cortado both refreshingly chilled in expectation of our long-awaited summer. From there, a super sweet dark PX sherry that was all raisins, delicious as a dessert wine, were offered.

Finally we finished with some Ports of course; a fine Ruby, and a 20 year old Tawny.

An excellent evening, and many members were so impressed that they bought some of the wines to enjoy at home.

We have a varied programme of events lined up this year, some in the village, and some at close-by locations. If you would like to join us, please contact me, we would welcome you all.

## CRICKET NEWS

We are very pleased to begin another season of midweek cricket in the Adams & Harrison league division 3. The ground is prepared, the wicket cut & rolled, the changing room cleaned and ready to go. All looking rather splendid.

Our first game of the season is in late April with a tricky away match against Saffron Walden on the 27th. We had great support for our home games last year which became quite sociable events. This season we are hoping for more of the same and encourage everyone to drop by and enjoy the game and banter, perhaps with some Fish & Chips from the van, as most games are played on a Wednesday.

As always, we are on the hunt for players who live in Hundon or nearby. Please contact our club captain **Ollie Clark on 07948 357352** if you are interested.

Our next home games will be:

4<sup>th</sup> May Hundon v Wenden 2

11<sup>th</sup> May Hundon v Ickleton 1

18<sup>th</sup> May Hundon v Chesterfords

All 5.30pm starts.

On the 3<sup>rd</sup> June Hundon Cricket Club are delighted to be hosting a 6 a-side tournament as part of the Hundon Platinum Jubilee celebrations. This will be an afternoon event with a free BBQ for spectators & players to enjoy on the cricket meadow. If you would like to put a team together, or just play (or know someone who would) then please contact Jack Beaumont on 07833 370206 for more details (any standard over the age of 15, male or female).

Many thanks for your support as always.

## HUNDON VILLAGE SHOP AND POST OFFICE

The Village shop has been open for 22 years this May. Opening in May of the Millennium year 2000 that's 22 years of serving the community of Hundon and the surrounding areas and for that we give huge thanks to all the volunteers past and present, along with shop manager Karen Snow, who have made this possible. We had planned to have a 20-year celebration event in 2020 but you know what got in the way of that plan so in 3 years' time we will celebrate 25 years in style.

I think that the A frame communication board outside of the shop has probably been there for all those 22 years, and it finally fell apart recently. Many thanks David Mitson for making the new one which looks very smart and sturdy.

If you haven't yet visited the shop and post office or have not been in for a while, do give us try. For a small village shop we stock an amazingly large and varied range of products at very reasonable prices.

### Post Office

We are in the season of many bank holidays with the next ones coming up at the beginning of May and then the special ones for the Queen's Platinum Jubilee at the beginning of June. **The Post Office therefore will be closed on the following days:**

## BROXTED COMMUNITY SOLAR FUND FOR HUNDON

This was established following the completion of the solar farm in 2014. To date the fund has awarded a total of £77,000 benefitting the Primary School, Pre-School and various clubs and organisations. We invite applications for this year and will welcome any that can be shown to bring material benefit to make our village an even better place in which to live and enjoy!

### APPLICATIONS FOR FUNDING – 2022

The main features of the Community Fund are summarised: -

- This year the total amount awarded will be £10,500. This will include a direct annual payment of £1,500 to Hundon Primary School.
- The balance of £9,000 will be awarded to organisations or groups within Hundon. To receive an award from the Community Fund, an application must make a material change or create material benefit for the Community in and around Hundon, and may include revenue items as well as capital payments.
- The minimum award through the Community Fund will be £1,000 as any applicant must demonstrate 'material change' or 'material benefit' for the Community i.e. not narrowly focused or small in size or scope.
- The Community Fund is run by the Community Fund Group who will meet to discuss the merits of each application to determine whether or not they qualify for funding and if so how much will be awarded. At any one time the Group will consist of four members:
  1. The Chairman or Representative of the Parish Council—Geoff Spooner
  2. The Chairman or Representative of the Village Hall Committee—Martin Warner
  3. One other representative of the Hundon Community with wide knowledge and experience of it – currently David Rowlinson who was Parish Council Chairman when the proposal for Broxted Solar was presented at a meeting which was also attended by Dorothy Whittaker who was Hundon's Borough Council at the time
  4. A representative of Navigator Land LLP, the owners of Broxted Estate (and hence landlords of Broxted Solar) – the first such representative being Charles Ryder. David Rowlinson acts as Chairman of the Community Fund Group and Charles Ryder/Navigator Land LLP administers it.

If your club or organisation has a project requiring funding and which meets the above criteria, submit details of what any award will be used for and where it involves the purchase of equipment or services should include more than one quote. Please note that all applications must be for projects which required £1,000 or more and which will be completed within 1 year of receipt of the award.

**Applications should be emailed to Charles Ryder at [charles@gbfco.com](mailto:charles@gbfco.com) by 30<sup>th</sup> June.**

During the ensuing two weeks, the Community Fund Group will consider the applications seeking, where necessary, further information. The Group will then make recommendations to Broxted Solar as to which applications should be awarded funding and payments are anticipated to be made by the end of August. Depending on that total sum requested from all applications, some which qualify may not receive an award this year, but such projects can apply again next year.

The community Fund Group looks forward to receiving applications in the coming weeks. We very much hope that Broxted Solar's Community Fund will continue to be of great benefit to the Community of Hundon over the coming years.

## HGC NEWSLETTER MAY 2022

On Thursday 21 April we welcomed Fay Jones, her talk 'The Wonderful World of Stinging Nettles' was enjoyed by all of us. Fay is very knowledgeable and enthusiastic about all things in nature. We learnt many surprising facts about the humble stinging nettle, among them, their use in jelly sweets for their colour, how to pick their tops for tea, a yearly nettle eating competition! Who would have thought? I think many of us knew the steeping of nettles makes a very smelly organic fertiliser.

She is now based at Wakelyns a Suffolk organic agroforestry, food and horticulture hub, at Metfield Lane, Fressingfield, IP21 5SD. They have an open weekend on Saturday May 21 and Sunday 22 May 10 - 3 pm Admission is free and booking essential. The weekend will include the Woodland Haberdasher (Fay), Real Veg CSA, willow weaving, delicious food from the Wakelyns Bakery team, and much more! If you are interested and can, look them up on the net, if not, give me a call and I'll tell you what I can.

Entry forms for our hanging basket competition are available from the village shop. This competition is now open to all within a 5 mile radius of Hundon. As we have members living in the surrounding area we would like to include them. This is our contribution towards the Queen's Jubilee and will be judged for its Jubilee-ness!

Please complete an entry form by mid June and return to me at 30 Galley Road, Hundon. Judging day is Saturday 30th July 2022. We hope you will take part and make Hundon look Jubilee ready!

Our next meeting on **Thursday 19 May** will be our own Judy Cameron-Rollo, it will be an interactive evening on Friend or Foe? If your curiosity is piqued, then feel free to come along. We meet at 7.30 pm, entry is £2 for members and £3 for visitors, this includes refreshments, raffle extra. Come along and meet us.

On Sunday 4 September we will be bringing our show back after a 2 year break and the main theme will be to Celebrate the Queen's Platinum Jubilee. Our Show Schedule will be available for you in the village shop from early June. Please take a schedule and maybe there will be a class/classes you would like to enter.

Calling All Local Artists, as usual we will be having an exhibition of art. Please contact me on [j.burrows60@icloud.com](mailto:j.burrows60@icloud.com) or 01440 786554 if you haven't entered before and would like to know more. You can exhibit your art and sell it if you would like to. Please bring it along on Sunday 4 September between 9 and 10.30 am so that it can be hung for exhibiting. More information nearer the time.

## Queen's Platinum Jubilee

### *Memories of the Accession and Coronation*

Do you or any members of your family have  
memories or photos of the Coronation and  
any celebrations surrounding the event?

As part of the celebrations in Hundon for  
The Queen's Platinum Jubilee we are planning to  
create a memory board display in the Village Hall entitled

### ***'Memories of the Accession and Coronation.'***

We would like to make a display of people's recollections of  
that time and would be grateful for any contributions. Where  
were you? How did your family celebrate the Coronation?  
Were you lucky enough to watch it on television? How did the  
schools celebrate? What happened in your community?

We are looking for some background social history which will  
tell us more about what life was like in those days.

If you have any memories of this time, please write them down  
and either deliver them to Dormer Cottage, Church Street,  
Hundon (our post box is through the double gates) or email  
them to [liz.hickes@hotmail.com](mailto:liz.hickes@hotmail.com)

All contributions will be gratefully received.

### 'PRIDE OF HUNDON AWARDS'

Is your neighbour one in a million? Is the person living down the street from you a true gem? Is a member of your family stepping up for others? We want to hear about them!

During the **Jubilee Street Party on 5<sup>th</sup> June** we would like to recognise and celebrate all those village residents whose actions, support or efforts have been of significant help to people - either in the village or to the wider community. At the Street Party we will have an official 'vote of thanks' announcement for each of them by the 'Hundon Town Crier' and a round of applause on behalf of the village. They will also be listed in the Hundon Herald shortly after.

If you would like to nominate someone for a vote of thanks please drop an email with their name and a few lines about their contribution to Amanda at [clerk.hundonpc@outlook.com](mailto:clerk.hundonpc@outlook.com), or drop a note in the box in the village shop before the **15 May**.

# HUNDON AND THURLOW PRIMARY FEDERATION

## Laying the foundations for a bright future

### Hundon Community Primary School

With Easter and the associated school holiday upon us, we wanted to share a further instalment from Hundon Community Primary School.

Like so many, we have had our share of challenges with regards the pandemic, including in recent weeks with high numbers of positive cases within our two schools. Fortunately, we have stayed open and operational, thanks in no small part to our children's parents and carers, who have been overwhelmingly supportive of our safety measures. This has undoubtedly contributed to our ability to minimise disruption to learning and ensure our children are safe, happy and engaged in the carefully crafted experiences our bespoke curriculum offers.

It is such a privilege to be in our school and see all our children building their knowledge and skills to support them in being motivated, independent and successful learners.

Since our last update, we have welcomed scientists from the Cambridge Science Centre who delivered hands-on, practical workshops introducing the children to environmental science as part of British Science Week and benefitted from specialist coaching in cricket from the England Cricket Board.

You will not be surprised to know our children were deeply affected by the news reports from the Ukraine and were keen to find ways to support. As a result, on Friday 25th March, the children at both our schools took part in a Ukrainian themed day, raising money for UNICEF and the Ukraine. As well as wearing yellow and blue to show support the children learnt much about the country's customs and traditions as well as the language and geography. Together, the children in our two schools raised over £400 for UNICEF.

# HUNDON AND THURLOW PRIMARY FEDERATION

## Laying the foundations for a bright future

### Hundon Community Primary School

Additionally, the children were thoroughly engaged in extending their thinking and deepening their reasoning skills as part of our moral development 'pause' day. Built around the story of Malala Yousafzai (the young Pakistani girl who stood up to the Taliban when they banned women from education) with each class exploring activities and dilemmas at an age appropriate level.

Most recently, Hawthorn Class and our oldest children, have been researching world leaders and their involvement in World War 2 as part of their 'A CHILD'S WAR' themed learning. In Oak Class, our children in Years 3 and 4, have been learning the characteristics of rivers and mountain ranges around the world and in Cherry Class, our youngest children have continued with their 'MAGNIFICENT MONARCHS' theme, building up their understanding of the monarchy, their royal residences and the most significant sovereigns.

We have much to look forward to in the fast approaching summer term. Our youngest children in Cherry Class will start with the theme 'SPLENDID SKIES' and focus on developing their knowledge of weather and the seasons. Our children in Years 3 and 4, our Oak Class, will be learning about Anglo-Saxon and Viking culture, chronology and key events as part of their theme 'TRADERS AND RAIDERS'. In Hawthorn Class, our Year 5 and 6 children will be continuing their studies of the Second World War as part of their theme 'A CHILD'S WAR'.

We are also looking forward to our appointed contractor breaking ground for our wellbeing hub and the official grand re-opening of our sister school's pool. We will be holding our first, action-packed ACTIVITIES WEEK in which our children will experiment with new sports, including archery and golf, develop their team-building skills, contribute to the design and construction of a whole school art installation and get creative with photography, amongst other things, all of which will culminate in a whole school exhibition!

Our pupils are, as always, at the centre of everything we do, they help make Hundon and Thurlow Primary Federation the unique and inspiring learning community it is.

## THE RECTOR'S RAMBLINGS: IMMORTALITY OR ETERNAL LIFE

Dear Friends,

Yesterday I realised that I may not be immortal after all.

To be honest I have always suspected that might be the case, but I didn't really want to face up to the reality. For the past 26 months I have worked constantly throughout the pandemic. During the worst of it I administered 'last rites' to the dying, met with families to arrange funerals, supported Doctors, Nurses, Carers and Funeral Directors, delivered medicines and food parcels to those isolating at home, all the while taking necessary precautions, and managed to not catch COVID. In fact, I had reached the stage where I began to believe that despite being triple vaccinated, I was naturally immune. It turns out that I am not! A week before Easter I received the long feared 'double red lines' of a lateral flow test.

Now as I write this, I don't feel too terrible, I have the aches, and lethargy, the running nose, and a cough, but although I am isolating in the Vicarage I can at least do some work, albeit interspersed with mugs of Lemsip. However, in the back of my mind, I cannot escape the memory that just 6 months ago, my Father died of COVID, and there was always the possibility it could be me as well.

As your parish priest I have the enormous privilege of conducting many funerals and thanksgiving services, and I hope that in doing so I help families to say their final farewells to their loved ones. Funerals are of course a time when those attending are also faced with the fact that our earthly lives do come to an end. They mark the point when we no longer see the person we love, as it says in the Prayer Book, "In the midst of life we are in death".

Whilst physical immortality isn't possible, despite what technology or artificial engineering continue to explore, a different immortality is possible after death because as we are reminded each Easter, Jesus died on the cross so that we could indeed have eternal life.

Our regular celebration of the Eucharist is proof of our immortality. It reminds us that our eternal life comes about through death – death to self and death to sin, and that is only possible through the work of Jesus and culminating in his death and resurrection, and not through anything that you or I have done.

St Paul encouraged us when he wrote, "But our citizenship is in heaven. And we eagerly await a Saviour from there, the Lord Jesus Christ, who, by the power that enables him to bring everything under his control, will transform our lowly bodies so that they will be like his glorious body" (Philippians 3:20-21).

So, whilst I may not be immortal after all, I do look forward to an eternal life, thanks to the life, death, and resurrection of Jesus.

Please keep safe and well, and be assured of my prayers for you all.

Mark  
The Revd Mark Woodrow

## HUNDON W.I.

Sadly, I missed the wonderful Chris Burford who came to show how to make and taste his Dutch biscuit recipe back in March.

Chris demonstrated how to make two basic types of dough, then proceeded to show how these basic doughs were combined to give a variety of shapes and patterns including checker board; marbled; pyramid and cherry.

We enjoyed lots of tea, coffee and freshly baked biscuits and there were plenty to take home. Everyone enjoyed watching his skill and acting as tasters at the end.

Just last week we swung our way through the 60's with songs from Barrie and Pete, they were great and we had some surprise dancers in our midst as well as a couple of hand jivers! Maybe it was the Prosecco or just happy memories from our pasts.

Our next meet will be our AGM on 12th May and on 9th June join us for a trip to Little Hall in Lavenham, followed by afternoon tea—fingers crossed for warm weather.

## CLARE CASTLE COUNTRY PARK

April 2022 Article

As the days lengthen our thoughts inevitably turn to spending time outdoors and, maybe, taking more exercise! The Country Park has much to offer here. In addition to its 36 acres of green spaces and expanded children's play area for informal leisure activities, it offers two free events every week. Every Saturday at 9 am there is a 5K Park Run, part of the national scheme, and, for the less strenuously minded, there is a 3K circular walk at 10.30 each Tuesday. There is also a heritage themed trim trail in the Park with 5 pieces of apparatus that require participants to exhibit the physical skills and stamina that would have been required many years ago in building the railway or working within the wool industry.

Park Run is a wonderfully inclusive event that attracts people of all ages and abilities, with well over 100 runners, walkers and volunteer marshals demonstrating incredible camaraderie every week. Details of how to sign up as a participant or marshal can be found at [www.clarecastleparkrun.co.uk](http://www.clarecastleparkrun.co.uk) If you decide to get involved, you can be assured of a warm welcome. You are guaranteed an equally friendly time on the Tuesday walk, which is part of the Suffolk wellbeing walks organised through OneLifeSuffolk, with the Clare walk managed by Clare Walkers ([www.clarewalks.co.uk](http://www.clarewalks.co.uk)). Continuing the exercise theme, the Park is hosting the finish of the Bury to Clare Challenge Run/Walk in aid of St Nicholas Hospice on Sunday 8 May, and the launch of the Suffolk Walking Festival on Saturday 14 May. For the latter event it is a case of third time lucky, as the Festival was cancelled in both 2020 and 2021. There are over 70 walks, of varying lengths, across the County in just 15 days. Details of the walks and how to book are given in the Festival brochure that is available from our Visitor Centre, or by visiting

[www.suffolkwalkingfestival.co.uk](http://www.suffolkwalkingfestival.co.uk). Clare Walkers have entered 5 walks, including the 7 mile Clare and Cavendish Circular on Saturday 28 May. There are also a number of walks in and around Cavendish, Long Melford and Sudbury. The Festival presents a unique opportunity to experience guided walks in a diversity of settings right across Suffolk, and it is well worth getting involved.

Plans are now advanced for the Queen's Platinum Jubilee celebrations in the Park. On Thursday 2 June at 9.15 pm the beacon in the Park will be lit, as it will be in many communities across the UK. Entertainment will be provided by local schoolchildren and nourishment by Platform One café, which will be supplying hot drinks, burgers and other snacks. On Friday 3 June there will be a Royalty-themed family trail (look out for Elizabeth de Burgh, Lady of Clare, and the royal train!), whilst on the Saturday there will be a 'Party in the Park' organised by the Town Council, with live music. The weekend will be rounded off by a family fun day on the Playing Field on Sunday the 4<sup>th</sup>.

## In 2022 help an older person or a person with a disability, to remain safer in their home.

Since 2019 Able Community Care, a Live-in Care Provider, has been offering older people and people with a disability, a free door sticker to deter unwanted callers.

It is a fact that older and vulnerable people are targeted by fraudulent traders, workmen and fake 'professional' people such as conmen advising they are from the Water Board, Gas Board, NHS Covid Dept., etc.

As many people have told us, this sticker on a door does mean they walk back down the path.

To date we have given out nearly 80,000 door stickers and if you know of an older person who would like to have one, please email us at [info@ablecommunitycare.com](mailto:info@ablecommunitycare.com) telling us how many you would like and the address to send them to.
