## HUNDON COMMUNITY CINEMA

Friday July 15<sup>th</sup> – ‘The Prestige’, a mystery thriller film directed by Christopher Nolan from a screenplay by Nolan and his brother Jonathan, based on the 1995 novel of the same name by Christopher Priest. The film follows Robert Angier (Hugh Jackman) and Alfred Borden (Christian Bale), become rival stage magicians in London at the end of the 19<sup>th</sup> century. Obsessed with creating the best stage illusion, they engage in competitive one-upmanship, with fatal results. Also starring are Michael Caine, Scarlett Johansson and David Bowie.

The Plot is – In 1890s London, Robert Angier and Alfred Borden work as shills for a magician under the mentorship of John Cutter, an engineer who designs stage magic. During a water tank trick, Angier’s wife Julia fails to escape and drowns. Angier, devastated, blames Borden for using a riskier knot, causing her death. When Angier asks Borden which knot he used, Borden claims not to know. The two become bitter enemies and rivals.

Doors open 7 pm. Tickets £3 on the door. Bar & snacks available. All welcome.

## HUNDON EDUCATIONAL FOUNDATION.

The next meeting of the Trustees will be held in July 2022

Please apply now - applications received after 3 July will not be considered until next time.

### GRANTS FOR EDUCATIONAL PURPOSES

If you need financial assistance to pay fees for educational courses (including music and sports), for educational outings, for books or fees for students at college or university, or for any other educational purpose, then you can apply for a grant.

#### Applications

Please apply by email and include your bank sort code, account number and the exact account name. Then any grant will be transferred directly into your bank and you will be informed by email. This will save us all handling cheques and is secure PROVIDED you are careful to give accurate sort codes, account numbers and the exact account name as it is difficult or impossible to recover monies sent to the wrong place. To be considered for a grant, you must:

Be under the age of 25 or making an application in respect of a person under 25.

Reside within the Parish of Hundon.

Please apply by email giving the following information:  
Name and address of student.

#### Age of student.

Your sort code and account number and the exact account name.  
Details of your application.

Due to restricted funds the trustees cannot normally make grants for routine traveling expenses.

#### General Data Protection Regulations

Your details will be recorded on the Foundation's records for audit purposes but your bank details will be deleted from our records once any payment has been made. So, if you have made an application in the past you will need to supply your bank details again.

Emails should be sent to [beaufordlodge@hotmail.com](mailto:beaufordlodge@hotmail.com) by 3 July 2022 and will be acknowledged and dealt with in the strictest confidence. Letters, if essential, can be sent to Beauford Lodge, Mill Road, Hundon. Please phone the Administrator, Bernard Beer on 07899-922418 or 01440-786942 if you need any further information

## HUNDON RELIEF IN NEED CHARITY GRANTS AVAILABLE

The Hundon Relief in Need Charity is a branch of the Estate Charity of Thomas Rogeron. It provides monetary help in cases of hardship and need to any resident of the Parish of Hundon.

With the pandemic in mind and the impact of redundancies, part-time rather than full-time working, the significant increases to home heating and energy costs as well as those related to food, Hundon residents are reminded that financial help is available from the charity and all applications are treated in absolute confidence.

If you, or some you know, would like more information about the grant application process please contact trustee **Sarah Upson** on **01440 786668** or at **[supson1952@btinternet.com](mailto:supson1952@btinternet.com)**

## HUNDON FRAUD ALERT

Surprisingly, four households in Hundon have suffered identical frauds in the last few weeks. If something similar happens to you or a relative, an immediate response is advisable to save a huge amount of time and inconvenience that could otherwise result.

First a letter arrived, advising of an (unsolicited) new TSB account opened in the householder's name with linked debit card. Soon afterwards a valuable parcel, ordered by the fraudsters using the new account, was intercepted prior to delivery at the entrance to the householder's address. The similarities and closeness of the two events in time and place may indicate a geographic link to this area.

The victims have been unable to work out how the fraudsters obtained their details to open the accounts.

Recommended actions: (1) If you receive notice of an unsolicited account opening, call the issuing bank/building society immediately (things get more complicated the more the fraudsters use the account). (2) Report to Action Fraud ([www.actionfraud.police.uk/how-to-report-fraud](http://www.actionfraud.police.uk/how-to-report-fraud)). (3) Consider having advanced identity protection with the Credit Industry Fraud Avoidance System (CIFAS - [www.cifas.org.uk/services/identity-protection](http://www.cifas.org.uk/services/identity-protection)) as the fraudsters may try to use your details again.

## HUNDON POST OFFICE – FOUR YEARS

It doesn't seem four years since we fought to save our Village Post Office at a time when many others were closing. Megan has done a great job since taking on the role in serving our village along with Rachel, her deputy. We have been particularly lucky during the Covid Lockdown to continue to have a working PO and shop here in the village – for some it has been a lifeline. On behalf of, I'm sure, everyone in the village and beyond I would like to say a big Thank You to them both and also to everyone who has worked to keep the Village Shop stocked and open.

Four years ago, when we worked to save our PO a number of village organisations and individuals agreed to contribute to a village subsidy fund, called Friends of Hundon Post Office (FOHPO), to ensure our Post Mistress receives a living wage for the services she supplies to the village and surrounding area. Indeed without the fund we were told by Post Office Ltd (POL), in no uncertain terms, that our PO would have been closed. POL do not pay minimum wage to Post Masters/ Mistresses as they say the job is contracted and it relies on commission, which in a PO our size is hard to achieve. I am sure I speak for everyone in the village in saying THANK YOU to the FOHPOs for their financial contribution, as without them we would not have a PO. Indeed there are now many customers from Kedington, Barnardiston and Clare who prefer to use our PO. The FOHPO fund has now been running successfully for nearly three years and we need to keep it going if our PO is to survive.

We are about to rebuild the fund for next year, which starts again on 1st August. Jane Tabram (who helps me manage the fund) and I will be contacting previous years' contributors in the next few weeks to see whether they wish to continue but we already know a few have been lost over time.

**To ensure our PO keeps open and Megan and Rachel receive a living wage for the excellent service they give us we ask you all to consider whether you are willing to help. If you are please contact either me (786489) or Jane (786501) and we will explain how the fund operates. The names of contributing individuals are known only to Jane and myself and are not shared among the donor group or publicised.**

## **HUNDON PARISH COUNCIL** **Full Minutes will be available on the Hundon Parish Council Website**

Hundon Parish Council met on 15<sup>th</sup> June at 7:30pm, Social Club, Village Hall, Hundon

### **Village Matters**

Please remember members of the public can report any highways issues via the reporting tool at Suffolk County Council, if you can. provide photos of the concerns and the exact location of the issue to support the submission.

<https://www.suffolk.gov.uk/roads-and-transport/roads-and-pavements-and-verges/report-a-highways-issue/>

**Trig Point** - The Trig Point along Chimney Street has been reinstated and freshly painted.

### **What is a trig point?**

Trig points are the common name for "triangulation pillars". These are concrete pillars, about 4' tall, which were used by the Ordnance Survey in order to determine the exact shape of the country. They are generally located on the highest bit of ground in the area, so that there is a direct line of sight from one to the next. By sitting a theodolite (an accurate protractor built into a telescope) on the top of the pillar, accurate angles between pairs of nearby trig points could be measured. This process is called "triangulation".

A major project to map out the shape of Great Britain began in 1936. The network of triangulation pillars, with accurately known positions, led to the excellent OS maps which we enjoy today. The coordinate system used on these maps is known as the "National Grid", and it is essential that you are familiar with this system if you are to get the most of OS maps, or this website. The OS provide an introduction to the National Grid on their website. (<http://www.trigpointing.uk/info/trigpoints.php>.)

**Hundon's Trig Point is shown on the map below.**

You can find all Trig Points in the UK via this site <https://trigbagging.co.uk/trig-pillar-map/>

**Parish Council Accounts** - The Parish Council Accounts

are available to view, by appointment only, until 26<sup>th</sup> July 2022.

### **Planning Applications**

These can be viewed via West Suffolk Council. A full list of applications received will be published on the Hundon Parish Council website.

#### Planning Applications

#### **DC/22/0832/FUL - Rose Cottage Brockley Green Hundon Suffolk CO10 8DT**

Planning application - change of use to include .25ha of land within curtilage of Rose cottage as part of garden. Comment – The parish Council support this application, because it will look better

#### Application Decisions

#### **DC/22/0590/HH - 41 Rogeron Close Hundon Suffolk CO10 8SB**

Householder planning application - single storey rear extension following demolition of existing conservatory  
**GRANTED**

#### **Update from WSC – Cllr M Rushbrook, Cllr K Richardson, Cllr N Clarke**

#### **Replacement bin charging**

A £30 replacement charge for a stolen, lost or damaged blue or black bin will be introduced from 13 June. Web content will go live on Monday including the FAQs attached.

Charges were in this year's budget setting. This followed a transformation review as the council can no longer absorb the cost of around £100,000 a year for free replacements.

Replacement bins will be supplied with a sticker that can be marked with the house number which will help residents and crews identify where it belongs.

#### **UK Shared Prosperity Fund**

WSC have been awarded this as part of the UK Shared Prosperity Fund (UKSPF) that Government announced in April this year to support the implementation of its Levelling Up White Paper.

The fund has two elements:

**Multiply** – funding to support adult numeracy. This is “to enable all adults without the equivalent of a GCSE Grade C or 4 in maths to be able to access a free flexible course”. The lead local authorities for Multiply are county councils and Suffolk County Council has been allocated **£3,752,462**.

**Core UKSPF** – where lead local authorities are districts, and from which West Suffolk Council has been allocated **£1,934,467** over three years.

**WSC is helping businesses to reduce air pollution** they have launched a scheme to become an accredited Clean Air Business [thewaytogosuffolk@suffolk.gov.uk](mailto:thewaytogosuffolk@suffolk.gov.uk)

WSC are working on the following to reduce air pollution:

- take direct action: drivers of larger vehicles in our own fleet are given environmental training as part of their professional certification and taxi drivers in

West Suffolk work to a policy that has an anti-idling clause.

- The council's vehicle fleet is being upgraded with bio-diesel and electric vehicles.
- We are growing the public EV charging infrastructure.
- We raise awareness: For example, winning national recognition for an on-going campaign beginning in 2020 to support schools in tackling anti-idling at drop-off and pick-up times. Please see the anti-idling driver training video to improve understanding of this issue: <https://www.youtube.com/watch?v=QP14Exibjf0>

## **ALLOTMENT FIELD UPDATE**

June is always a busy time on the allotment field with allotment holders trying to keep their crops watered and the weeds under control and our volunteers keeping on top of the grass mowing. Add in the Platinum Jubilee, and it's been an *extremely* busy month! Jubilee

On the Friday of Jubilee weekend, we hosted a plant sale which raised around £400 to be shared between HATA and Hundon Hedgehog Rescue.

This was followed by around 150 people making the most of the sunshine to enjoy a picnic with Pimms. There was a Treasure Hunt for the children, who also helped us build The Queen Elizabeth Bug Hotel. This is designed to form a home or shelter, not just for bugs, but for other critters such as frogs and toads and it was officially opened by John Christophers.

Finally came the celebratory planting of our Jubilee Tree, a beautiful Liquid Amber, kindly donated by the Sicon Foundation. We were delighted that Charles Ryder and David Rowlinson of the Broxton Solar Community Fund, who have also generously supported HATA's activities over the last couple of years, were there to formally plant the tree. Both the tree and the community orchard extension will be registered as part of the Queen's Green Canopy project for Jubilee year.

We would like to thank everybody who supported these events, and we hope you enjoyed them. We are very grateful to those volunteers who helped prepare for and run all the day's activities. Particular mentions must go to Mike Lewis, for all his mowing and tidying; John Christophers for caring for our Jubilee Tree and preparing everything for the planting ceremony; Sally Russo for organising the children's activities and Mikki Curran-Cox and her team for the (very successful!) Pimms bar.

### **Wildflower Meadow**

Our wildflower meadow at the bottom of the field has started to grow again – it's been a bit slow getting started. Paths have been mown around and through the meadow so you can explore and see what is growing. Yellow rattle, bee orchids and Jack-Go-To-Bed-At-Noon, with its wonderful better-than-dandelion seed heads, are some of the species to look out for this month.

We would be grateful if walkers could stick to the paths and keep their dogs off the meadow until it is cut again in the autumn.

### **Community Allotment**

HATA have taken on the top allotment by the Queen Elizabeth Bug Hotel as a community allotment, and it is currently being brought back under control by volunteers. We are also putting in a mini-wildlife pond. If anyone would like to get involved with this process, or perhaps you are interested in taking over one of the raised beds, please get in touch with Chris Mahon on 07860856952.

## Hundon Village Hall Jubilee Café

The Hundon WI worked their socks off serving hungry visitors with mountains of cake and savouries and gallons of tea & coffee. The washer-uppers tackled a constant stream of crockery with gusto and good spirits, and the kitchen was buzzing with excitement and energy!

The committee would like to extend special thanks to our members who contributed baked goods and their services on the day, with special thanks to Ailsa Permain, Sandra Hall, Pat Gaffan & Elaine Hinde.

Also, thanks to Jane Litton for her help in the kitchen, and to all the generous Hundoners who donated a vast array of delicious goodies to the Café ensuring the event was a huge success.

## ROGERON TRUST – NEW TRUSTEES NEEDED

Applications are invited from members of the Hundon community for the role of Trustee of the above Charity. Applicants must be prepared to act in the best interests of the Trust, to manage the Trust's resources responsibly, to follow the duties of a Trustee as laid down by the Charity Commission (copies of this document available from Miss Upson), to attend meetings (usually twice a year) and take a full part in these, to make careful and well thought out decisions with your co-Trustees regarding the best interests of the Trust, to follow the decisions of the Board of Trustees and to be willing to spend your time and efforts outwith meeting times for the benefit of the Trust.

Applications are especially welcomed from anyone who would be prepared to become the Clerk/Treasurer (training and support will be given for this role). Further details are available from the current Clerk, Miss Sarah Upson of 31 Windmill Rise, Hundon C010 8EQ. Phone number 01440 786668.

Please note that this is an unpaid role, although legitimate and previously agreed expenses may be claimed.

Anyone attracted to this role should write to Miss Upson, giving a brief CV and explaining their interest in becoming a Trustee. Thank you.

## HUNDON W.I.

What a glorious Jubilee Saturday!

The day dawned sunny, not a cloud in the sky. We were ready for the day ahead. So many cakes, biscuits, sausage rolls, quiches, gateaux, were there too many? Oh no, we had to eat our words! The generosity of all the people who baked goods for the café was amazing, thank you everyone. The queue was never ending, the tea and coffee flowed, Tricia and Sally were cutting up a storm, oh my gosh the chocolate sponge was tempting! Ailsa was in charge of all the savouries which were sooo good. We finished our shift and the queue was still to the door, the cavalry arrived as more people were needed to serve the never ending cake lovers, and to continually wash and dry. (Such a relief) It was a wonderful day, such a great atmosphere and an honour to celebrate the Queen's 70th Jubilee.

Our meeting on June 9th was to Lavenham, visiting the impressive Little Hall. Followed by a little retail therapy, refreshments at Tatums Tea Rooms and a well-earned rest.

Our next meeting will be on **Thursday 14th July at 7.30pm at the village hall**, "A Journey Back in Time". Tudor fashion is our evening entertainment with our member, Tricia, modelling outfits of the time.

Please call Jan McLardy 786369 if you are interested in coming along.

*Carol Massey*

## 'PRIDE OF HUNDON AWARDS'

During the **Jubilee Street Party on 5<sup>th</sup> June** we recognised and celebrated all those village residents who have been nominated by others for their actions and support to people - either in the village or to the wider community. This has been particularly important during the past challenging few years, and some may have also devoted many years to local community activities, public service or people around them.

At the Street Party we had an official 'vote of thanks' announcement for each of them by the 'Hundon Town Crier' (Ken) and a round of applause on behalf of the village. The list is reproduced below and many thanks are due to all.

### **For the Shop & Post office organisers - past & present**

Karen Snow (Manager) (and for everything else she is involved in!)

Stewart Alderman (chairman) (& also for his work with the Sports Association and Astro turf

Denise Thompson (Secretary)

Bernard Beer (Treasurer)

Megan Brett (Post Office)

Rachel Wood (Post Office)

Catherine Clark (Post office)

Jill Brown and Friends of Hundon Post Office

**And all the Shop Volunteers!**

### **For keeping us all informed with the Hundon Herald**

Gill & Bob Shepstone

**And all the Deliverers**

### **For supporting residents during the Pandemic and since with 'Hundon's Little Helpers'**

Mikki Curran Cox (and also for her fundraising and being a nurse!)

Sharon Mott

Dawn Nimmons

Johnny Walker

**And all the volunteers that support others.**

### **For looking after the church and churchyard**

Richard Langridge

Margaret Langridge

Albert Timothy

Tony Gridley

Paul Rook

**For re-establishing the allotments and creating the wildflower meadow/orchard**

Fiona Gould

Liz & Simon Hickes

Mike Lewis

**And all the other green fingered volunteers**

**HUNDON WINE CLUB**

Our last meeting covered the wines of Burgundy where we discovered the delights of Chardonnay and Pinot Noir in their spiritual home (Chardonnay village is in this region). These two world famous grape varieties in this prestigious wine-producing region gave us the opportunity to sample wines from Chablis through to a classic Gevrey-Chambertin with a Beaujolais, Macon, Givry and Santenay tasted on the way. The wines were fairly well received with some finding the first reds a little too light. Nonetheless all of the wines were well made and of excellent quality.

Our next two events will be away from our usual venue and format. In June we are being given a tour of Broxted Solar Farm and a wine tasting, generously hosted by Charles Ryder followed by a trip to Tarka's Café at Baythorne Hall in July where the proprietor, George Unwin, will offer us a presentation of his wines and a buffet. Here's hoping that the weather remains fair for these two "al fresco" events.

The Solar Farm visit is already fully booked, but if you would be interested in joining us for our visit to Tarka's, please contact me on 01440 786248 or [cs.burford@btinternet.com](mailto:cs.burford@btinternet.com)

## WEST SUFFOLK LOCAL PLAN – HOUSING DEVELOPMENT UPDATE FROM PARISH COUNCIL – JUNE 2022

As you will be aware from the Hundon Herald articles last year the 'West Suffolk Local Plan' consultation process is currently underway which will determine potential housing needs and housing development options across West Suffolk for the next twenty years.

The first stage of the consultation and call for potential development sites was carried out last year and you will recall that six potential sites around Hundon were offered by local landowners for housing. In response to this many residents submitted comments and the Parish Council completed a 'Housing Needs Survey' to gather future housing requirements, views and concerns to inform their approach to the consultation and any potential development proposals.

We had approximately 200 responses which gave us some broad indicators suggesting that Hundon may benefit from some very limited growth to cater primarily for the elderly looking to downsize or find manageable properties, and first-time buyers.

As anticipated there were firm views against any large scale development on any of the sites, or any housing on the allotment site. Concerns were also expressed that roads, sewage and drainage should be improved before any new housing is considered.

The Parish Council drafted and circulated to all households an initial report on the survey results which included a range of broad principles and objectives that should underpin any future development - both in terms of scale and types of housing - should any sites be allocated by West Suffolk or be bought forward for development. These principles will guide our responses to the next stages of the consultation process.

### West Suffolk Local Plan Consultation – 'Preferred Options' – Hundon Sites

West Suffolk have just published their initial response to the first stage of their consultation, and decisions and 'preferred options' for the various sites offered across the whole county - including the six Hundon sites. This provides a second consultation opportunity for communities to be involved with preparation of the Local Plan. This second consultation opportunity is open until July 26<sup>th</sup> 2022.

The full suite of documents and a virtual exhibition are available on their website at

[https://westsuffolk.inconsult.uk/WSLP\\_Preferred\\_Options/consultationHome](https://westsuffolk.inconsult.uk/WSLP_Preferred_Options/consultationHome)

Parishioners will see from the website or the summary provided below that none of the sites offered were identified by West Suffolk as 'Preferred Allocations' due to a variety of reasons, and these reasons are also listed below in the **Appendix B Omission Sites** table. This initial decision making by West Suffolk supports the views submitted by residents that any large scale development on any of the sites will be detrimental to the village and environment.

However, as this is the second stage of consultation it is still open to further change should new evidence about the value of potential development on these sites be submitted – and this evidence may be either in their favour or against. It is also possible that new sites may be identified and offered by landowners as part of this next consultation phase and the Parish Council will monitor and keep residents informed.

For these reasons we would encourage residents to submit further comments, either in support or otherwise, of the decisions by West Suffolk to omit these sites from their Preferred Options. Residents may also wish to provide any further evidence that they feel may be beneficial to support officers with their planning decisions.

To help residents with submitting general comments the link below takes you directly to the relevant Hundon page of the Part Three 'Site Allocations' document and on that page there is a button below the map of Hundon with '**Add Comments**'.

[Part Three: Site Allocations - West Suffolk Local Plan \(Regulation 18\) Preferred Options - West Suffolk Planning Policy Consultations \(inconsult.uk\)](#)

Alternatively, if residents wish to comment on a specific site they can follow the link below to the **Appendix B Omission Sites** which hosts the table of specific sites and use the '**Add Comments**' button on this page. Please note that you will need to identify which site you are commenting on by scrolling through the list to find the 'Hundon' sites and use the relevant site reference number.

Residents will need to register to make comments but this does not take long.

If you have any queries or concerns please contact: [clerk.hundonpc@outlook.com](mailto:clerk.hundonpc@outlook.com)

### Summary of comments and decisions from the West Suffolk Website

West Suffolk Local Plan (Regulation 18) Preferred Options

#### Part Three: Site Allocations

##### 4.8. Hundon

4.8.1. Hundon is a village located approximately nine kilometres north-east of Haverhill and approximately 18 kilometres south-east of Newmarket, with a population of 1,891 (2019 mid-year estimate). Hundon has a reasonable range of facilities including a primary and pre-school, convenience food shop and leisure facilities.

#### Constraints and opportunities

- Growth in Hundon is constrained by Lower Road to the south and Mill Road to the north. The southern boundary of the village is subject to an area of flood zone.
- The land in Hundon rises in a northerly direction as the village is situated on the slope of the valley.

- Lower Road forms a boundary to development towards the south and Mill Road to the north.
- The majority of the listed buildings in Hundon line North Street, to the east of the village. A conservation area also covers much of the eastern half of Hundon.
- There are three archaeological sites close to the village. Hundon's historic settlement core centres on Church Street, and North and Lower North Streets. There are traces of an earlier settlement and crop marks around the village which are recorded in the county historic environment record (HER).
- The southern boundary of Hundon village is covered by a flood zone which will prevent any further development in this area. There are significant slopes down to the valley bottom.
- Hundon has reasonable road access to the A143 for Bury St Edmunds and Haverhill, but the highways are lacking in footpaths and are narrow in places.
- Bus services are less frequent than hourly or operate during limited times.

### Preferred allocations

- 4.8.2. No new sites have been identified in Hundon due to growth being constrained by the sensitivity of the surrounding landscape, as set out in the West Suffolk Landscape Character Assessment (May 2022). This study identifies Hundon as lying within the Chilton Street farmlands character area, where only small-scale built development is appropriate within the intimate landscape of the valley villages and stream margins. Further information on how housing numbers have been derived can be seen in part one of the local plan.
- 4.8.3. Further information on alternative site options considered but not taken forward can be seen in

the table of omission sites in appendix B.

- 4.8.4. Information on infrastructure can be seen in the draft infrastructure delivery plan (IDP) (2022) which sets out baseline data for each settlement.

### Appendix B - omission sites (see table)

#### Sites included in the issues and options consultation stage, with reasons for omission from the preferred options consultation document.

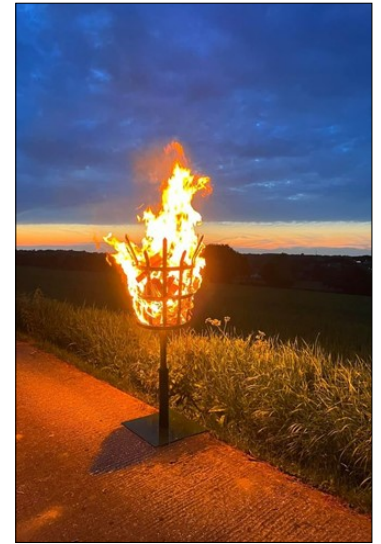

- 8.1. As a result of comments received at the issues and options consultation stage and further evidence base work, many sites have now been discounted and are not proposed for allocation in this plan.
- 8.2. These sites are now referred to as 'omission sites' and are set out in the table below, alongside a brief justification setting out why they haven't been selected as a preferred allocation.
- 8.3. The reasons for omission fall broadly into the following categories:
- Environmental constraints (for example Breckland Special Protection Area (SPA), special areas of conservation (SAC), county wildlife site (CWS), flood zone).
  - The site is not available and/or deliverable (either confirmed by the landowner or is in multiple ownership).
  - The site is within the settlement boundary and could come forward as windfall development.
  - The site has a planning approval and development has commenced or is completed.
  - Other available sites are more suitable and sustainable options.

S115	Hundon	Land east of Mill Road	Landscape impact – Hundon is constrained by the sensitivity of the surrounding landscape, as set out in the West Suffolk Landscape Character Assessment (May 2022). This study identifies the settlement as lying within the Chilton Street Farmlands character area, where only small-scale built development is appropriate within the intimate landscape of the valley villages and stream margins.
WS116	Hundon	land between Church Street and Lower Street	Part of the site in flood zone 2 and/or 3. Other sites are considered to be more suitable – result in loss of allotments
WS117	Hundon	land at Mill Lane	Other sites are considered to be more suitable – result in loss of open space and/or recreational ground.
WS200	Hundon	Land at Mizon Close	Landscape impact – Hundon is constrained by the sensitivity of the surrounding landscape, as set out in the West Suffolk Landscape Character Assessment (May 2022). This study identifies the settlement as lying within the Chilton Street Farmlands character area, where only small-scale built development is appropriate within the intimate landscape of the valley villages and stream margins.
WS1040	Hundon	site at Babel Green	Majority of the site in flood zone 2 and/or 3. The site and/or development would be an inappropriate form of back land development.
WS1041	Hundon	land to east of Hall Road	The site is considered an unsustainable location – poor relationship with settlement and services and facilities of Hundon.

## HGC NEWSLETTER JULY 2022

Thanks must go to our Tubs and Beds team for the displays in the tubs at and around the hall and shop area. Well done ladies you gave us all a very jubilee display, you do a fantastic job. Thanks also to the Jubilee committee for subbing us.

Our plant sale on Friday 3 June on the allotment field was very successful. Thank you to all members who brought plants along for sale and to all who bought plants from us.

On Sunday 12 June eight of us gathered together and drove to Clover Cottage at West Wickham to see the lovely summer garden that we last saw full of snowdrops and spring flowers. The garden was unrecognisable, now crammed full of perennials, roses and clematis. We bought plants, ate homemade cake, drank tea and soaked up the wonderful flowers.

Entry for our hanging basket competition is now closed.

On Sunday 19th June, 14 went on our first return visit and conducted tour of Depden Care Farm. 2017 was our first visit when we first learnt about the excellent work carried out there. The gardens are really coming along and the owners are getting it ready for **Depden Open Farm and Gardens on Saturday 2 July, open 11am - 4pm**. Try and go along, it will be well worth the visit, £5 entry, there are several gardens open in the village. BBQ at the Care Farm. We said hello to the pony, horse, donkeys, sheep, goats, chickens, and very loud cockerel, pigs, guinea pigs and rabbits. The vegetable gardens are in full swing as is the poly tunnel which is full of tomato plants. The fruit is doing well in the orchard and the cakes were delicious!

Sunday 26th June - Return visit to Kirtling Tower - open 11 - 4pm £6 entry. Last time we met at the village hall at 11.30 and it worked out well so we'll do the same this time, or feel free to go under your own steam. Newmarket Road, Kirtling, Cambs CB8 9PA.

There was to be a walk at West Stow to look at the wild fox gloves but I have left it too late to organise so hopefully next year, sorry.

On Sunday 4 September we will be bringing our show back after a 2 year break and the main theme will be to Celebrate the Queen's Platinum Jubilee. Our Show Schedule will be available for you in the village shop from June. Please take a schedule and maybe there will be a class or classes you would like to enter. There is a

colouring competition this time for children up to the age of 11 years old. Please select the picture you would best like to colour from those in with the schedules.

Calling All Local Artists, as usual we will be having an exhibition of art. Please contact me on [j.burrows60@icloud.com](mailto:j.burrows60@icloud.com) or 01440 786554 if you haven't entered before and would like to know more. You can exhibit your art and sell it if you would like to. Please bring it along on Sunday 4 September between 9 and 10.30 am so that it can be hung for exhibiting. More information nearer the time.

Below is a sneak peek at the classes.

## **THE RECTOR'S RAMBLINGS: "THANK YOU FOR THE MUSIC"**

Dear Friends,

What was the very first record you ever purchased? Or, if you are bit younger than me – downloaded or streamed!

The very first single I every bought myself, having saved up my own pocket money, was "Captain Beaky & His Band", with my first album being "Super Trouper" by ABBA – both in 1980 when I was 8 years old.

Music is a funny thing, not least the challenge I now have that the music I grew up with are now being played on "Golden Oldie" radio shows, but also because just hearing a long-forgotten tune can instantly take you back to a moment in time and all the emotions and feelings of that time come flooding back.

Music also seems to change with my mood and how I am feeling. There are certain pieces that I automatically gravitate to when I am feeling happy, sad, or simply contemplative, and I suspect that most of us will all have our own "go too" songs.

There is something at the very heart of who we are as humans that seems to be drawn to making and listening to music, indeed the earliest musical instruments found to date seem to be flutes, made of Ivory and bones, some of which are over 42,000 years old.

The Bible, and particularly the Old Testament features many songs and instruments, and indeed the Book of Psalms were in effect the hymnbook of their day. We are also told of the heavenly realms, the Angels and Archangels constantly singing songs of praise to God.

Music, singing, and praying are all closely linked, indeed St Augustine of Hippo, who lived in the late 4th and early 5th Century is often as simply saying that "to sing is to pray twice".

So as summer approaches, and we all hopefully have a bit of spare time to relax, can I encourage you to dust off your old vinyl records, or redownload those records from your past, and sit back and listen, reflect, pray, and give thanks for all who come to mind when you, and then in the words of ABBA, say "Thank You For The Music!"

*God Bless  
Mark

## Clare Liaison and Support Project (C.L.A.S.P.)

Registered Charity No 1029710

**CLASP** was founded in Clare in 1984 to serve those in Clare and the surrounding villages who might be in need of help and support, as well as being involved in a number of worthwhile local activities.

### **CLASP operates:**

#### **SENIOR CITIZENS' CENTRE**

Every Wednesday from 10.30 to 3.00pm. in the Clare Old School Community Centre. Morning coffee, a three course lunch, and afternoon tea are provided for a small charge for as many as 30 clients, who can participate in table games and other activities. **CLASP minibus** service picks up clients with transport problems from Clare and some nearby villages. *Contact Sue Packer on 07561 115158.*

#### **CAR AID**

A pool of about 20 volunteer drivers take "clients" needing transport from their homes in the Clare area to hospitals, doctors, dentists or other medical practices. **This is free of charge**, but many clients make voluntary contributions to petrol costs. *Contact John Webb on 07724 696283.*

#### **The CLASP MINIBUS**

Operated by qualified volunteer drivers, is available for hire at very modest rates for use by local organisations. It also collects "clients" from Clare to take on shopping to **Sainsbury's in Haverhill**, generally on a Tuesday, for which a small charge is made. *For more information, contact the Senior Centre Phone 07561 115158.*

#### **FUND-RAISING EVENTS**

Are also organised by **CLASP**, principally Table Sales in the Clare Town Hall seven to eight times per year, not only to help fund the activities mentioned above, but also to make donations to other local worthwhile causes, such as recently committing to the part funding of a defibrillator for use in Clare.

**CLASP** is totally managed and run by **VOLUNTEERS** and is always delighted to welcome new people to assist with its activities.

Despite having existed in Clare for many years it is surprising how many residents of the Clare and surrounding area seem to be unaware of the services **CLASP** provides, and it is hoped that viewing this article will encourage local residents to take advantage of and/or assist with **CLASP's** charitable work.

## THANK YOU

I want to thank Ivan and Janet who have been putting up the tables every week for the Community Cafe and for others who have helped with putting them away at the end of the day which allows the cafe to continue, without the help I wouldn't be able to do it.

We had a lively café at the start of the Jubilee weekend, including a visit from her majesty, a raffle and some Jubilee pudding. It was lovely to see such a good turnout and some wonderful outfits.

Thank you to everyone for making it special.

## Laying the foundations for a bright future

### Hundon Community Primary School

Well, here we are in the last half-term of the school year! As usual, we have been busy since our last update. We have celebrated the Queen's Platinum Jubilee with the entire school dressed in red, white and blue. The children enjoyed the opportunity to apply many of their curriculum skills to Jubilee themed learning activities and were thrilled to receive their medallions from representatives of the Parish Council and Jubilee Committee who were kind enough to join us at school and help with the presentations. We also held a 'street party' style picnic lunch!

Our children in Year 5 and 6 gained significantly from a curriculum-enhancing visit to the Imperial War Museum at Duxford. This added greatly to their learning about the causes and effect of the Second World War as part of their theme 'A CHILD'S WAR'.

Lots of us were able to see the Lord Lieutenant's Torch arrive in Hundon as part of the jubilee celebrations too. It was so exciting, here are some children from Years 3 and 4, holding the torch!

As well as embarking on their new theme of 'COASTLINE' to learn about the physical and human features of coastal regions, our youngest children in Cherry Class have been busy growing lots of plants, including sweet peas, beans and strawberries. They have been busy applying their measuring skills and knowledge of capacity to track the development of their plants.

We are very much looking forward to the fantastic addition to our summer timetable of our first 'ACTIVITIES WEEK'.

We will be working with the children differently as they will be vertically grouped in their house colour teams and will have the opportunity to participate in activities including gardening, cooking and tie-dyeing to name but a few! They will also try new sports such as golf and curling. As well as further developing and enhancing their 'soft' skills with opportunities planned to enrich positive attitudes and thinking, listening, collaboration, leadership, teamwork and empathy, the children will contribute to the design and construction of a whole school art installation, get creative with nature and experiment with photography. It is going to be brilliant!

Mrs Sharon FitzGerald, Headteacher,

## CONGRATULATIONS

James Prockter who lives in Chimney Street and is currently a Junior Under Officer in the Cambridge University Officers Training Corp was delighted to receive the Lord Lieutenant's Certificate for devotion to duty which was presented by a Her Majesty's Lord Lieutenant to a handful of people across the County of Cambridge on the 8th of June 2022

The Lord-Lieutenants' award **recognises the outstanding work of members of our Reserve Forces and Cadet Organisations.**

**Well done James!**

## HUNDON'S GOT TALENT SHOW

The show was opened by Sally and Martin, Hundon's answer to Ant and Dec!

First up was Amira singing her own song, watch out for a future star!

Next came Richard with an amusing, self penned set of poetry which got everyone laughing.

Next we were entertained by 11 year old Holly who gave us a great version of Elton John's "I'm still standing".

Following Holly was what I can only describe as my first and probably last attempt at stand up comedy!

Closing the show was Amira with her version of "Jolene" the Dolly Parton classic.

Overall a well received show, thanks to all who contributed, including Kevin Snow for setting up the sound system.
