Art Exhibition @ the Café

For the children of the Shatila refugee camp in Beirut, Lebanon, art is more than a pastime, it is an escape from a reality they are often powerless to change, with some of them living as fourth or even fifth generation refugees in a camp with a terrible history, in a country with an imploding economy.

This exhibition has been organised to raise funds for fresh art supplies, to be taken over to the camp in September.

With original works, prints & cards, there'll be something for everybody - and, of course, there'll be tea & cake to enjoy while you peruse the art!

HUNDON VILLAGE SHOP AND POST OFFICE

Your village shop stocks all of those things that you would expect from a convenience store and much more. Stationery, greeting cards, bird foods and plants are all available alongside a large range of groceries, chilled foods, alcohol and tobacco. As the evenings inevitably start to get chillier with Autumn just around the corner winter fuels will soon be available from the shed.

Customer orders can be taken for newspapers, magazines, bread, and rolls and indeed anything else that we stock. If you want to be sure of getting your particular product, then just speak to anyone at the shop who will arrange for it to be put aside for you to collect at your convenience.

Do you have a couple of hours a week to spare?

Your village shop, except for our manager Karen, is run entirely by volunteers. Volunteering is a great opportunity to meet new people, see those you may not have seen for a while and hear all the village news whilst adding something back to the village we all love.

Volunteer shifts are generally for two-hour stints. Full training is given and except for our most experienced volunteers there is always someone else with you during your shift. We would welcome new volunteers so please do talk to Karen if you think this could be for you.

A reminder that the Post Office will be closed on Monday 29th August for the final bank holiday of the year before Christmas. The shop will be open as normal.

HUNDON RELIEF IN NEED CHARITY GRANTS AVAILABLE

The Hundon Relief in Need Charity is a branch of the Estate Charity of Thomas Rogeron. It provides monetary help in cases of hardship and need to any resident of the Parish of Hundon.

If you, or some you know, would like more information about the grant application process please contact trustee **Sarah Upson** on **01440 786668** or at **supson1952@btinternet.com**

HUNDON W.I.

Phew!!! Glad we weren't wearing these!!!

Our speaker in July was Jacqueline Norman who took us on a journey back to early Tudor fashion. We learnt that ladies of the court from 1485 would wear up to five main items of clothing each consisting of two or more layers. A sleeved linen shift, hooped underskirt, silk petticoat, a Kirtle that had many gathers, folds and jewels sewn on, and finally a heavy over gown. As well as additional items such as woollen stockings, a sleeve guard, placard, velvet partlet, white linen neckerchief, and a gable hood. They did not however wear knickers!! It took up to two hours to be dressed, which often meant being pinned & sewn into some of the items.

Girls from the age of two would have worn the same items of clothing, as well as bum rolls to give them curves, as they were at that age on the marriage market!

Jacqueline brought along replica clothing for us to see and feel the weight of. After suffering the recent heatwave and wearing as little as possible, we certainly didn't envy the Tudor ladies during the summer months!!

(Many thanks to Tricia for this month's report whilst I was enjoying the Turkish sunshine.)

Next meeting: August 11th Garden Party hosted by Jan McLardy (786369).

Update from SCC – Cllr B Bennett

Suffolk launches £150,000 Match Funder scheme for community action on the climate emergency

A £150,000 fund has been opened to applications from not-for-profit organisations looking to deliver community-based carbon reduction projects in Suffolk.

The Suffolk Climate Action Community Match Fund will be provided by the Suffolk Public Sector Leaders group as part of its work to address the climate emergency. The new fund is available to charities, community interest companies, parish councils, voluntary groups and other not-for-profit organisations whose projects contribute to Suffolk's Climate Emergency Plan and support our vision for Suffolk to become carbon neutral by 2030.

The projects funded could include improving the energy efficiency of buildings, promoting walking and cycling, using sustainable/recycled materials, or raising awareness of climate change through events, among others.

The fund will support up to 50% of costs (up to a maximum of £10,000) for projects that can demonstrate support from others in the community in the form of contributions from multiple other sponsors for the remaining project costs. Community fundraising platforms online can be a great way of promoting a project and drawing in donations from sponsors; once sufficient community sponsorship has been raised, a full application to the Match Funder scheme can then be submitted.

To register an initial expression of interest for your project, to check that your project is eligible for the Match Funder scheme, or if you are developing an idea and need some advice, please contact David Walton, david.walton@suffolk.gov.uk

More information can be found at <https://www.greensuffolk.org/suffolk-climate-action-community-match-funder>

Bury St Edmunds archives branch starts planning for the future

Suffolk County Council is looking to the future as it considers plans for its Suffolk Archives branch in Bury St Edmunds.

As part of long-term planning for the Suffolk Archives service, the county council is looking at options for either

remaining at its current location in Raingate Street or moving to the planned new Western Way Development.

Suffolk County Council will be working with users of the branch, depositors of archive documents, and other key local stakeholders to show what the archives service would be able to offer in the future at either Raingate Street or the Western Way development, as well as how they can input into the council's decision.

No decision has been made and any proposed options for the Bury St Edmunds Archives Branch will be considered by Suffolk County Council's Cabinet later in the year.

Extra funding agreed by Cabinet to fund new SEND places

Suffolk County Council's Cabinet has agreed an additional £15.9million to complete the funding for the creation of at least 879 specialist places for children and young people with special educational needs and disabilities.

This money marks the second phase of a £45million five-year project to deliver specialist provision for SEND students in Suffolk. These places include units attached to mainstream schools and three new special schools.

So far, 500 new places have opened across the county, with another 325 due to open between September 2022 and September 2024 under phase 1. The additional money will enable the completion of phase 2 of the project, and the creation of between 54 to 72 new places, depending on design and planning.

The new SEND places support the growing number of children and young people in Suffolk who need specialist help at school. Between September 2021 and May 2022 there have been 1,333 referrals for specialist placements for children currently in mainstream schools.

Plans for new SEND places under phase 3 will come before Cabinet from September. The newly-approved £15.9million includes £6million to complete phase 2, £4.6million to cover overspend and a grant from the Department for Education of £5.3million.

The special schools include Castle EAST, a new communication and interaction school in north Suffolk; a new social, emotional and mental health school in west Suffolk named Sir Peter Hall; and a communication and interaction school in south Suffolk, Woodbridge Road Academy.

Applicants must be prepared to act in the best interests of the Trust, to manage the Trust's resources responsibly, to follow the duties of a Trustee as laid down by the Charity Commission (copies of this document available from Miss Upson), to attend meetings (usually twice a year) and take a full part in these, to make careful and well thought out decisions with your co-Trustees regarding the best interests of the Trust, to follow the decisions of the Board of Trustees and to be willing to spend your time and efforts outwith meeting times for the benefit of the Trust.

Applications are especially welcomed from anyone who would be prepared to become the Clerk/Treasurer (training and support will be given for this role). Further details are available from the current Clerk, Miss Sarah Upson of 31 Windmill Rise, Hundon CO10 8EQ. Phone number 01440 786668.

Please note that this is an unpaid role, although legitimate and previously agreed expenses may be claimed.

Anyone attracted to this role should write to Miss Upson, giving a brief CV and explaining their interest in becoming a Trustee. Thank you.

THE RECTOR'S RAMBLINGS: "CHANGE IS A GOOD AS REST" – AUGUST 2022

August sees many people off on holiday, whether it is a staycation or travels further afield. For many it will be a time of rest and regrouping, to pause, perhaps catch up with family and friends, and to make time to thank God for all that was good.

As a child I used to go on holiday to Newquay with my grandparents, I remember the long hot summers on the beach, hunting crabs and small fish caught in rockpools, and building sandcastles. In my 20's and 30's I used to holiday in Southwold, helping to lead the Scripture Union Beach Mission which was there for 2 weeks every year.

Today, whilst I enjoy a day or two sitting on a beach with a cool drink, or better still a bit of scuba diving in some warm tropical waters, I much prefer to travel to different places, cities and towns, mountains, and countryside – enjoying some good food, good company, and the opportunity to meet and experience different cultures.

This year, other than the odd day here and there, I am not planning on taking some leave until the middle of November, when, God willing I will be returning to India to lead a small group tour, COVID having prevented my regular travels there for the past two years. *(The tour is open to all and if you would like to join me, you can find information here: <https://tinyurl.com/IndiaNov2022>)*

Between now and then, life will be busy for me and all those involved in the daily life of the church, with weddings, funerals, baptisms and preparations for Harvest.

There will also be the Suffolk Historic Churches Trust Annual Ride and Stride on Saturday 10th September – this is a wonderful opportunity to visit many of the churches and chapels in Suffolk and surrounding counties, some of which are not always open regularly, and there is the opportunity to be sponsored, raising much needed funds for both your local church and the trust – if you would like to get involved, please visit <https://shct.org.uk/blog/>

Sadly, for some, Summer will not be a fun, instead it will be a tough time especially given the current economic challenges that many are facing. As a Benefice, we have made the decision to set up a FREE Community Pantry based inside Clare Parish Church. Here anyone can **"Take what they need, or leave what they can"** there is a selection of food and household items, which we hope will mean that no one will go hungry. If you are in the fortunate position of being able to leave some items we will need non-perishable items, tins, jars, and toiletries etc, please leave them at the pantry, or contact me and I will happily collect them.

May God bless you whatever your Summer plans might be.

HUNDON WINE CLUB

Our meeting in June was held at Broxted Solar Farm kindly hosted by Charles Ryder. It was a perfect evening, neither too hot nor cold with the rain holding off until the very last minute. We enjoyed several of Charles's recommended wines, a selection of rosés and whites perfect for a beautiful summer evening. We were provided with a host of nibbles to lessen the impact of the alcohol imbibed all set up in a peaceful knoll with the sound of birdsong resonating in our ears.

All this following an informative tour of the farm where Charles explained to us the workings of the solar farm and the history of the farm itself, the prison and surrounding area. Charles explained the fantastic work carried out for nature conservancy including planting different plants and grasses, and creating a pond to attract a diversity of birds and animals, and a host of other measures. I have walked there many times, but I hadn't realised quite how lovely it is, one of the highest spots in Suffolk affording tremendous views.

To say that we enjoyed it would be an understatement! In almost 10 years of Hundon Wine Club, I have never seen our members heading home joyously singing "Roll Out The Barrel" and "On Ilkley Moor Bah Tat"! Was it the sheer joy or the wine? Who cares! Our sincere heartfelt thanks must go to Charles for his fantastic welcome and hospitality which made a great evening for myself and all our members.

We have a full calendar of events for the remainder of the year. If you would like to join in, please contact me.

HGC NEWSLETTER AUGUST 2022

Sunday 26th June - 11 of us made a return visit to Kirtling Tower. We walked along mown paths in wildflower meadows, and strolled amongst sweetly smelling lavender and rose filled flower beds, gone were the daffodils from April. Now the beds were filled with summer perennials, full of colour. The church ladies and men have the refreshments down to a T. Soup, sausage rolls, cakes, Jubilee Pudding, raspberry meringue, mmmm!

There was to be a walk around West Stow to look at the wild foxgloves but I have left it too late to organise so hopefully next year, sorry!

Thursday 21 July - We welcomed Geoff Hodge - He is a freelance gardening and horticultural writer, author, editor and radio and TV broadcaster and much more. If you listen to Radio Cambridgeshire, you may well have heard him. What a great evening we had, he was engaging, knowledgeable, clear, answered all our questions from our gardens, lawns, allotments and raised beds. When members were leaving and asking for him to come again we know the evening was a hit. He was worth waiting 2 years to hear.

Talking To Karen the other day she was saying that a lot of people say how much they appreciate the flowers and plants growing around the shop and hall so on behalf of the tubs and beds group 'thank you'. You probably aren't aware but the six ladies, who are members of the Gardening Club, are aged between 60 and 82 and two of them live outside Hundon but travel in specially to tend them. It is our Community Project, so it's good to know our efforts are appreciated.

Saturday 6 August - Photography Day with Kevin Sawford - he is a multi- award winning wildlife photographer based in the nearby village of Woolpit. At time of writing there are 2 places available. £25 each for the day. We will have a workshop session learning about and looking at photography the Kevin Sawford way, followed by lunch and photographing 'wildlife' in a member's garden for the afternoon.

On Sunday 4 September we will be bringing our show back after a 2 year break and the main theme will be to Celebrate the Queen's Platinum Jubilee. Our Show Schedule is available for you in the village shop. **Please ask if you cannot see them.** Please take a schedule and maybe there will be a class or classes you would like to enter. There is a colouring competition this time for children up to the age of 11 years old. CLARE CASTLE COUNTRY PARK

JULY 2022 ARTICLE

And now for something (almost) completely different.....!

We are launching guided tours of Clare from the Park's Visitor Centre this month.

These bookable 90 minute tours encompass the main features of the Park together with key buildings across the Town before returning to the Park via Clare Priory.

Many local villages and towns are blessed with a rich history, particularly from the medieval period, and Clare is no exception. Three things make Clare particularly suitable for tours. Firstly, the town's heritage assets are within easy walking distance of each other. Secondly, it has over 130 listed buildings, 6 of them Grade I. And thirdly, its history connects with many events of national significance, thanks to the de Clares' status and links with the royal family.

Thus, in addition to the Anglo-Saxon period, the tour touches on the Domesday Book, Magna Carta, the Suffolk wool industry, the dissolution of the monasteries and the Battles of Hastings, Bannockburn and Bosworth Field. It also features Catherine of Aragon and such notables as Gilbert the Red and his wife Joan of Acre (daughter of Edward I), Lionel of Antwerp and Elizabeth de Burgh, as well as the fact that Kings John, Henry III, and Edwards I, II, III and IV all visited the Castle. We guarantee that even established locals will learn something or we will give them their money back!

Our guides have undergone a period of intensive training in the last four months, including lectures on local history given by three exceptionally well qualified Clare residents: Richard Smith, Emeritus Professor of Historical Geography and Demography at Cambridge University, his wife Dr Peggy Smith, and Anne Davies, a retired forensic scientist who has put her forensic skills to good use in researching local history. The whole programme was managed by Bury Tour Guides and funded by Clare Town Council under the 'Visit Clare' banner. The new guides, who have been recruited from the Park, the Ancient House Museum and Clare Walkers, are grateful to have learned from such an expert team, and are keen to put their newly-acquired knowledge to good use, so please do consider making up a party and coming along on one of the dates shown below.

The tours may be booked at www.clarecastlecountrypark.co.uk/towntours or at the Visitor Centre in the Park (open 11 am to 3 pm Friday to Sunday*).

Tours cost £5 for adults (under 18s free) and start from the Visitor Centre on the dates and at the times shown below.

We will go ahead come rain or shine, so please be ready for whatever the weather may throw at us! **The tours are well worth doing on their own but are at just the right time to combine with lunch in the Park's Platform One café!**

Saturday 16 July	11am	Sunday 11 September	11am
Sunday 31 July	2pm	Saturday 17 September	2pm
Saturday 6 August	2pm	Sunday 18 September	11am
Sunday 14 August	11am	Saturday 1 October	11am
Saturday 20 August	11am	Sunday 16 October	2pm
Saturday 28 August	2pm	Saturday 29 October	2pm
Saturday 10 September	2pm		

***Stop Press: the Visitor Centre in the Park will be extending its hours for the summer period; it will be open from 10 am till 4 pm from Friday 22 July.**
